Slogan

Tradition - Innovation - Excellence

Mission

Our mission is to educate and nurture the future role players, decision makers and responsible individuals. Commitment to the ideals of creating knowledge economy. Opening new vistas for meaningful and original research in innovation and excellence. Remaining true to principals of merit, selfless service, and utmost objectivity. Make genuine efforts to better the lot of the people through harnessing talent and harvesting potential.

Vision

Meet the ever changing needs of the society by building on its traditions of innovation, and excellence and providing an educational resource to the people of the region.

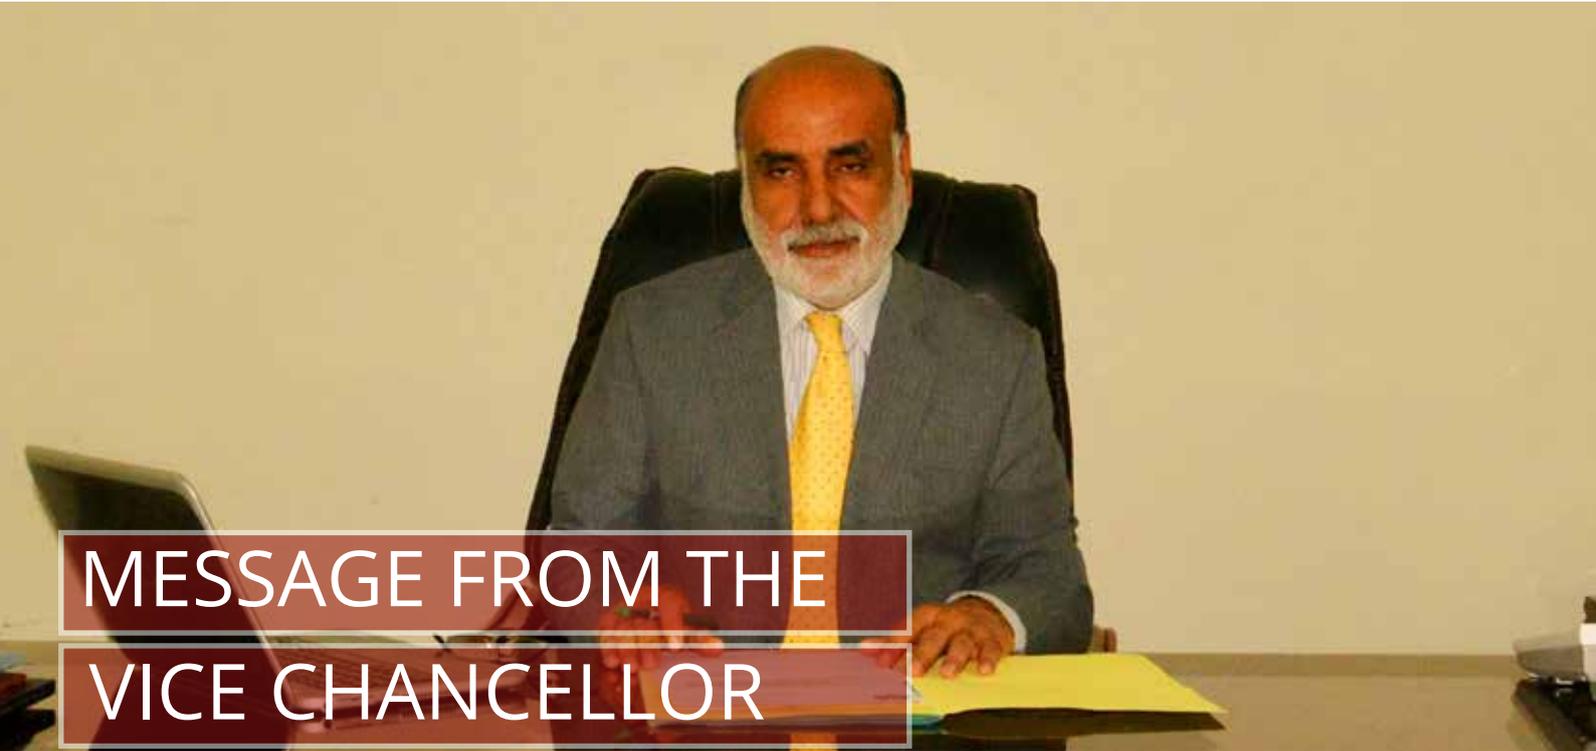

**MESSAGE FROM
THE CHANCELLOR**

Educational institutions play a vital role in the progress of nations. This is especially true in the case of underdeveloped areas. An educated human resource can be considered a huge asset. Education sector is one of the priorities of the government. The establishment of University of Turbat is a continuation of that policy. It is truly heartening to note that university of Turbat has moved down the path of development steadily since its inception in 2012. It has developed relevant degree programs and provided all allied facilities including the introduction of the departments of Computer Science, Management Sciences, Commerce, Economics, as well as Social Sciences in a relatively short span of time. This will go a long way in providing quality education to the residents of this remote area and which in turn will maximize job opportunities for them. The efforts of the University of Turbat

to make higher education more accessible to the middle and lower income families warrant my commendation. It is great step towards the socio-economic development of the province of Balochistan. I extend my heartiest facilitations to the Faculty and Management of the University for their Sincere Efforts and wish the new entrants a great educational experience. My message for the faculty is to make best use of the available means, creating a sense of responsibly amongst students and transforming them into distinguished individuals of society.

H.E. Muhammad Khan Achakzai
Governor Balochistan
Chancellor University of Turbat

MESSAGE FROM THE VICE CHANCELLOR

It is indeed a proud moment for me to present the first Annual Report of University of Turbat for the Year 2013-14. Ever since its inception the University has confidently moved forward and achieved tangible progress in a wide array of academic areas. It is testimony to its zealous observance of quality and delivering on its promises of tradition, innovation and excellence that Higher Education Commission recognized University of Turbat on 12th March, 2014 soon after its establishment. After the recognition from HEC, there has been no looking back and UoT has continued down the lane of progress, bringing about significant academic and infrastructural developments in the University.

Despite the heavy odds and daunting challenges that it had to face at the time of its launch, University of Turbat has finally succeeded in carving an educational niche for itself in the province through its wholehearted commitment to academic distinction and taken the first steps towards engendering an educational revolution in the domain of higher learning by means of personality growth and furnishing clear career choices to the youth of the region.

The strength of a University lies in the competitiveness of its human resource. We

have initiated programs towards this end and sizable number of UoT faculty has been awarded Indigenous and Foreign Scholarships while policies are being developed for future grants. In order to keep up with today's fast paced world of Information Technology, PERN connectivity has been established at the University. It is through the concerted efforts of its administration and Faculty that UoT has reached thus far in a short span of time.

On a personal note, I must say it has been enviable honor for me to serve this august institution and I am looking forward to doing so with the support of my assiduous administration and exceptionally talented Faculty. I am confident, University of Turbat will emerge as one of the leading centers of learning in the near future and our graduates will prove their mettle in different walks of life.

May God Bless University of Turbat.

Prof. Dr. Abdul Razzaq Sabir
Vice Chancellor
University of Turbat

MESSAGE FROM THE PRO-VICE CHANCELLOR

The 21st century, which is known as the century of change, is the century in which the betterment and the progress of the knowledge, and the technology are directly proportional to the prosperity of any country and nation. This century has caused a great change in the norms and values, of change and adaptability, of people and their societies, and it has changed the collective-thinking manners of the nations. We too are a part of the same century, and we are in direct competition with the nations who have proved themselves, in every sphere and aspect, in the world; and who have their inevitable share and part in the greatest educational and ideological developments in the world at large.

No matter, wherever a university is established, that is not only meant to lead its institutions, organizations and the societies, but what the universities are mandated to make a or help to make is human beings in the fullest sense of those words not just trained workers or knowledgeable citizens but responsible heirs and members of human culture. Or in better words, universities are best regarded as trend maker institutions.

Seeing the achievements and overall (highly appreciable) performance of the University of Turbat in its first annual report, I will not hesitate to say that University of Turbat is sincerely and firmly committed to show its pivotal and leading role in reshaping the lives, norms and values, social traits and the collective well-being of the people of the Balochistan in general and the people of the area in particular.

This year we, in the University of Turbat, have achieved those targets, tasks and successes, although which may not be deemed as impossible, they were very much difficult for sure. And this all has been possible because of the commitment and the dedication of the people affiliated with the University of Turbat.

All that we have achieved or have been successful in achieving throughout this year is no doubt because of the entire team of the University of Turbat, but if the provincial government of Balochistan and the chief minister of Balochistan Dr. Abdul Malik Baloch personally had not shown any interest in developing the University of Turbat, we could not be successful in achieving many of the desired goals and targets. The University of Turbat and its entire team is not only thankful to the chief minister Dr. Abdul Malik Baloch, but we are also hopeful that we will always have his patronage and support in future as well.

In the similar manner we are also thankful to honorable governor Balochistan, H.E. Muhammad Khan Achakzai and his respected office, whose help and support have lightened many of our hardships in our endeavors.

Last but not the least; we are thankful to Higher Education Commission, Islamabad, Pakistan, its chairman Dr. Mukhtar Ahmed and his entire team, who always have good wishes for the University of Turbat.

Dr. Abdul Saboor Baloch
Pro -Vice Chancellor
University of Turbat

OUR UNIVERSITY

From a Sub-Campus to a University

Introduction

University of Turbat, a dream for the natives of Mekran has been transformed to an independent university by the grace of Almighty Allah and due to the intense efforts of academic and administrative staff with the support of natives, political parties and management of University of Balochistan. The first step of prosperity was taken on 23rd November, 2009, when the then Vice Chancellor of University of Balochistan Professor Dr. Masoom YasinZai inaugurated the Sub-Campus Turbat of University of Balochistan as a pre-step of making an independent university within limited time.

The campus offered BBA 4 years, BSCS 4 years and B.Com 2 years in the first batch on January 2010. With the immense efforts and contribution of the devoted staff, the campus managed regular classes and cheating free environment. In an era of three and half years, two batches of B.Com were passed and the third batch will pass out at the end of current year.

The above mentioned efforts resulted to an independent university as University of Turbat on May 18, 2013 when the first Vice Chancellor Professor Dr. Abdul Razzak Sabir took over the charge. Soon he announced the admissions for master programs in four new departments. These programs are MA English, MA political Science, MA Balochi and MA Economics. Besides, currently University announces the admission in MBA 3.5 Years, M.Com and MCS programs. The university is seeking for the energetic and

devoted youth of the region who are enthusiastic to be engaged in academic activities for further serving the nation for a better cause.

Historical Background

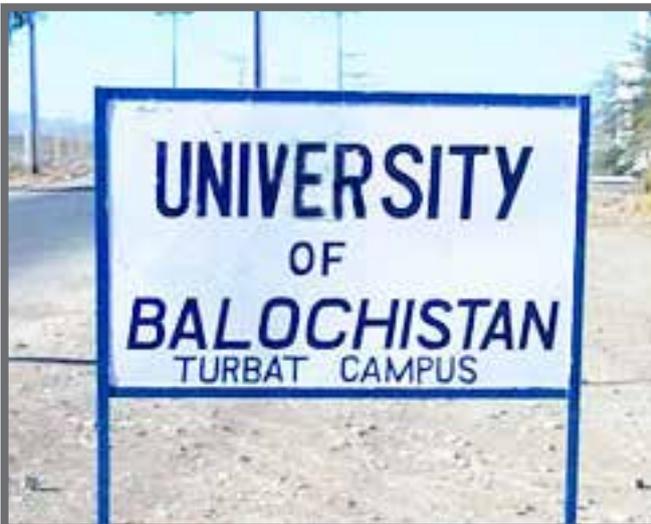

University of Turbat is a historic institution in the field of higher education; enriched with the resources but the least developed area of province Balochistan. It newly established Arts and Sciences courses offered in educational institutions; with the aspiration and envisioned as a world class research-oriented both in graduates and undergraduates institution, as the gateway of all respects opportunity endeavoring to provide at the door steps.

With the mission and vision of offering contemporary and future demands of knowledge, exploring world class researches; the University has valued its passionate and committed faculty members with the honor and opportunity of different scholarships to research, explore of modern knowledge to impart and disseminate education and learning to the youth as a resource ad educationally profound.

For this purpose, we always appreciate collaboration to leading institution worldwide for the exchange of mutual faculty learning and capacity building, and institutional development.

Considering and prioritizing the faculty's professional growth and its capacity building; we encourage our valuable faculty members to explore local, national, and international opportunities of scholarships. In this regards, the institution will bear all the incurred cost as per the policy and procedure admissible and applicable.

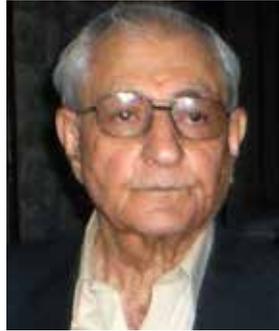

GOVERNANCE

The Honorable Governor of Balochistan is the Chancellor of the University. The University Senate chaired by the Chancellor, is the supreme Governing/Legislative Body of the University.

The Vice Chancellor is the Chief Executive of the University. He chairs the Syndicate, the Executive Body of the University, and all other statutory bodies.

--	M.Ed (Self Finance)	1 Y
--	B.Ed (Self Finance)	1 Y

Department of Management Sciences

The department of Management Sciences was established since the inception of the University of Balochistan, sub-campus Turbat on 23rd November, 2009 and started its classes on 1st January 2010. University hired four lecturers for the said department, and currently there are ten regular lecturers and six visiting lecturers. Besides these lecturers University of Turbat is about to induct four (4) more lecturers against the vacant vacancies of lecturers on study leave.

So far four BBA, one MBA (morning) and one MBA (Executive) batches are continuing their classes successfully. The first energetic batch of Bachelors of Business Administration has passed out on December 2013 and second BBA batch has passed out in December 2014.

In May, 2013 sub-campus Turbat was converted into University of Turbat along with its entire assets, liabilities and services. Soon after, the Vice Chancellor appointed Lecturer Waseem Barkat as the first Acting Chairman of the department.

After the depart of Mr. Waseem Barkat for Ph.D. in Malaysia, the Vice Chancellor appointed Mr. Mumtaz Ahmed as Acting Chairman of the Department of Management Sciences.

Soon after, the worthy Vice Chancellor decided to commence the Master of Business Administration (Executive) classes and within short span of time the MBA (Executive) classes started on 1st September 2013, and this batch will pass out in May 2015.

The Department has successfully started Master of Business Administration (Morning) as its third program of the department which were started on 1st January, 2014.

Department of Computer Science

The revolution in information technology has profoundly influenced our way of life, our culture and our economy. Computer science education plays a special role in preparing future technology leaders and innovators. It opens our mind to new horizons, unlocks doors to a broad range of career paths, accelerates professional advancement, and exposes us to ideas that are advancing the frontiers of science and technology beyond the field of computing.

Department of Balochi

The department of Balochi, University of Turbat, is a center of excellence for the study, teaching and research in Baloch culture, history and literature. Balochi department is big enough to offer a wide range and variety of approaches to research and innovation. Our programs are specially designed for highly motivated students with a passion for Balochi language, literature and culture, for imaginative approaches to these and for careful crossing of traditionally defined geographic, linguistic and disciplinary borders.

The variety of research interests and expertise held by the department is echoed in the diversity of backgrounds and academic interests among our students.

Providing opportunities to experience the living languages and cultures studied in our department is essential to our academic mission. Besides regular co-sponsorship of cultural events and performances on campus and elsewhere in the Area, we are currently publishing an Annual Research journal "MEERI".

Department of English

The Department of English Literature at University of Turbat aims at the systematic and scientific ways that lead to the progress of an attitude required for the students of this realm by knowing the excellence of literature as a part of human civilization from the first dawn and to analyze the grandeur of the finest names of the field. The Department of English Literature also facilitates the students to skillfully work on their critical aspects of learning by providing them enough space to look deep into and evaluate different aspects of the different writers. The two year program involves four

semesters in which background, poetry, drama, novel, criticism and prose are given much adherence and different great works of the genres are critically observed by involving research base assignments.

Department of Economics

Economics is one of those youngest disciplines which has a brief history of not more than three-hundred years, yet it dominates other social sciences. It seeks to answer the most pressing issues that world is currently facing. Thus, gaining knowledge of economics becomes essential for every society in order to achieve the basic goal of economic development. To this end, the Department of Economics established at University of Turbat, with the aim of helping the students of Makran as well as entire Balochistan to master the principles essential for understanding and economizing problems, i.e specific economic issues and policy alternatives, to understand and apply economic prospective and reasoning

accurately, and objectively about economic matters. Efforts are made to enable students to translate economic theories into real world settings so as to enhance their problem solving capabilities, and promote a lasting students' interest about economics and economy. The goal is to produce highly competent professionals, researchers, policymakers and managers for the productive resources of our society.

At present, the department offers two-year degree program of M.Sc economics. In fact, the course is such designed that not only prepares students to meet the current job market standards and challenges but also prepares them for further postgraduate studies.

Department of Political Science

Established in November 2013, the Department of Political Science, University of Turbat, is forging ahead with its full capacity to the satisfaction of the students and faculty members. With the immensely positive result of the first Semester since its inception, the department has emerged as an attractive force for students desiring to do their Masters in Political Science.

The Department of Political Science is on its course with the aim of inculcating into the students an understanding of Political System and processes fulfilling the Demands of the Modern World. The consciousness of Constitutional and legal Rights and Duties of the citizens is a pre-requisite for

democracy to take roots and flourish, which the department has succeeded in infusing and enhancing.

Further, more significantly, the department is proceeding to arm the students with the weapon of critical thinking and reasoning, rationality and Logic. To equip the students with questioning, enquiring, creative and innovative minds is specially focused with research-oriented studies.

With the ever-increasing intensity and frequency of the dynamic and interactive era of Politics, the Department is trying to give a penetrating insight into the current national and international issues and events.

Higher Education Commission Recognises University of Turbat

The Higher Education Commission Islamabad Pakistan has recognised the University of Turbat. The Accreditation Council of Higher Education Commission Islamabad Pakistan issued a notification towards this end that declared University Of Turbat as the sixth and second University in the regular and general categories respectively of the Public Sector in the province of Balochistan. The issuance of the No Objection Certificate (NOC) opens new vistas of learning for this newly established University and MOU's will soon be signed with local and foreign institutions of higher learning that will in turn offer numerous opportunities to the faculty and the students of University Of Turbat. The credit for this grand achievement must go to the zealous hard work, commitment and devotion of the University Of Turbat faculty members, Staff and Administration and above all to the indefatigable perseverance of the Vice Chancellor Prof. Dr. Abdul Razaq Sabir who overcame all odds in the pursuit of the mission.

FACILITES

Computer Laboratories

The University of Turbat (UoT) has a well furnished and equipped computer labs working under the Computer Science Department and IT section of the University, there are more than 200 latest new computers have been provided to the University Computer Laboratory. This service provides net services to the Central Library, departments, faculty and administrative offices 24 hours. In the Central Labs, PCs are provided, offering a range of standard office software for document creation and presentations. Specialist provision is available to support research and advanced study within the University. Computers in the campus are connect- ed to the University's main server through a wide area network giving access via the internet to the major information, research and communications networks worldwide.

Transport Facilities

The University of Turbat has four buses to provide pick and drop facility to the students living in Turbat city and suburbs. The University also provides transport facility to its students for field work and annual picnics once a year to each department on need basis. The study tours for students are partly financed by the students and supplemented by the University, subject to availability of funds.

Cafeteria

The University of Turbat at its City Campus has a well-furnished Cafeteria having fast food and tea shop facilities only for campus students and faculty members.

University Public Library

The Commissioner of Makran Division has donated the building to UoT as per instruction of worthy CM Balochistan Dr. Abdul Malik Baloch on November 2013. It is a complete building the sports complex, the library building has given with the following facilities:

a) Around 3000 plus books of different subjects including Computer Science, Management Sciences, and Literature; b) Fully furnished Shelves and reading desks; c) Seperate desks for female readers; d) Sports facilities available in the complex; e) Facility of Auditorium and Conference Rooms; f) New Block for future Science subjects.

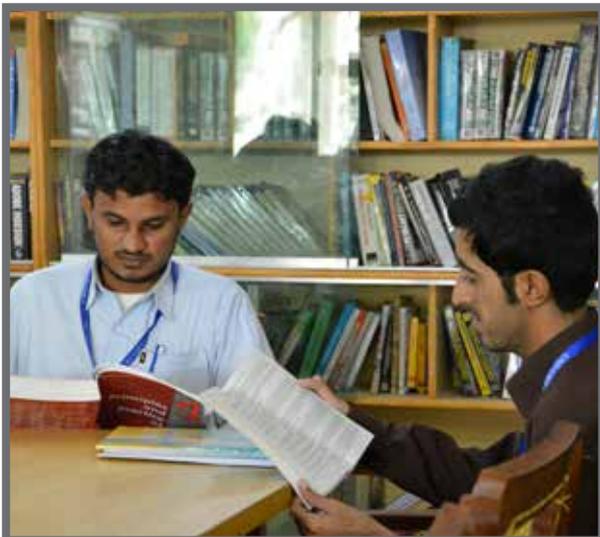

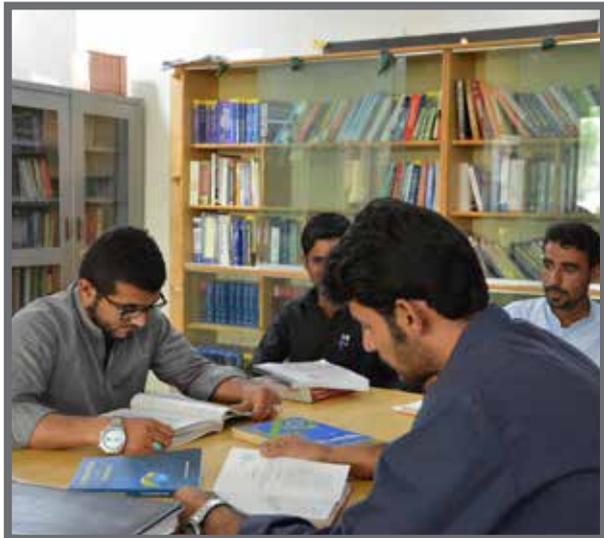

ORIC

To make research a top precedence among faculty members and students of University of Turbat, the Office of Research, Innovation and Commercialization (ORIC) was established in 2013. The aims and objectives of the center is to promote and enhance research activities and helping them to commercialize and industrialize. ORIC provides a complete platform to the researchers and augment's their research skills from working bench to a furnished product. Mumtaz Ahmed, Chairperson Department of Management Sciences is the Incharge of ORIC.

Campus Library

Situated in the heart of the UoT City Campus. The books and reading material available in Library support not only every course in the curriculum i.e. Management Sciences, Computer Science, Commerce, Economic, Political Science, English, and Balochi but also include selected stock of general books and materials on History, Anthropology, Islamic Studies, Geography, Archeology, Regional Studies, languages and literature, published by National and International publishers, Library also has subscribed national and international periodicals, publications,

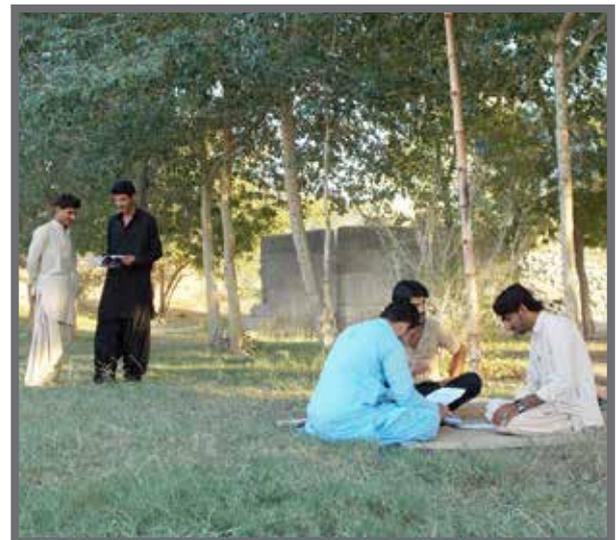

newspapers in English, Urdu and Balochi etc. The whole library system at campus library is being computerized and HEC has been asked to provide facilities for online library service which will be available through a network after the completion of the computerization process. The library also has a reasonable number of internationally published Research Journals available. The Access of Digital Library provided by HEC and research articles of interest can also be downloaded soon.

Hostels

University of Turbat has students from all over Makran that are enrolled in different programs. Some of the students are not resident of Turbat City. For them, UoT has hired 3 buildings for hostels, which include 2 for boys and 1 for girls, with all basic needs and comfortable, secure locations in the city.

DIRECTORATE OF
INFORMATION TECHNOLOGY

Introduction

The Information and Technology departments is highlighted some of its achievements during the period of 2014. The milestones achieved are enormous. Information Technology department is the backbone of any organization. Internet has made the world a global village. Information Technology is the gateway that global village. Organization are empowering their Information and Technology departments to meet the challenges of modern era. University of Turbat has established its Information Technology department in 2013 and Muhammad Sameer was assigned the charge of Information Technology Department. One of the achievements after affiliation was to get connected to Pakistan Education and Research Network (PERN 2) by Higher Education Commission. On 1 Nov, 2014 The University was enlisted in PERN 2.

Matter related to Information Technology are overseen and regulated by Information Technology department. Inter-departments are provided technical assistance for smooth work progress. For better communication, Infrastructure for internet is developed. Fully furnished computer labs with latest specification, each system fully integrated with latest software and capable of running the up to date graphic tools such as Auto CAD and Maya etc. Wi-Fi Service is provided to students, faculty and administration. Students can access network and internet resources through different hotspots. For security measures Wi-Fi clients are allowed to access internet with proper registration. Information Technology department enhances the collaboration of internal departments and administration with in University.

The National Education Research and Education Network, Pakistan (PERN 2)

University of Turbat has achieved one its milestones being connected to PERN 2. Pakistan Education & Research Network is the only research and education network of Pakistan which was launched in 2002. The purpose of this national research and education network is to provide communication infrastructure to the universities, institutions of higher learning

and research organizations to meet their networking and internet requirements. The network has evolved significantly and is providing valuable services, like high-speed internet, audio/video conferencing, and access to digital library resources.

PERN Services

- Internet Services (Fastest Access to Information)
- Intranet: Virtual Private LAN Service (Secure, Reliable Global Ethernet VPN Full-Mesh Solution)
- National Digital Library
- Video/ VoIP (Video Conferencing)
- Local Content Hosting (Cloud Services)
- Unified Communication (The Private Cloud technology as implemented is primarily aimed at providing Unified Communication solution including email services, office communicator etc.)

FINANCE

Salient Features

The main source of financing of University of Turbat at present are the project funds. The project, titled "Establishment of University of Turbat" was approved by the ECNEC during May 2011 at a total cost of Rs. 1580.391(M).

Although the commencement year of the Project given in the PC-I was 2011-12 and funds amounting to Rs.25(M) and Rs.10(M) were released during Financial year 2011-2012 and 2012-13 respectively ; however, the project was actually started during the Financial Year 2013-14 after induction of full time VC and other key officers namely PVC, Director Finance/Treasurer and Controller Exams.

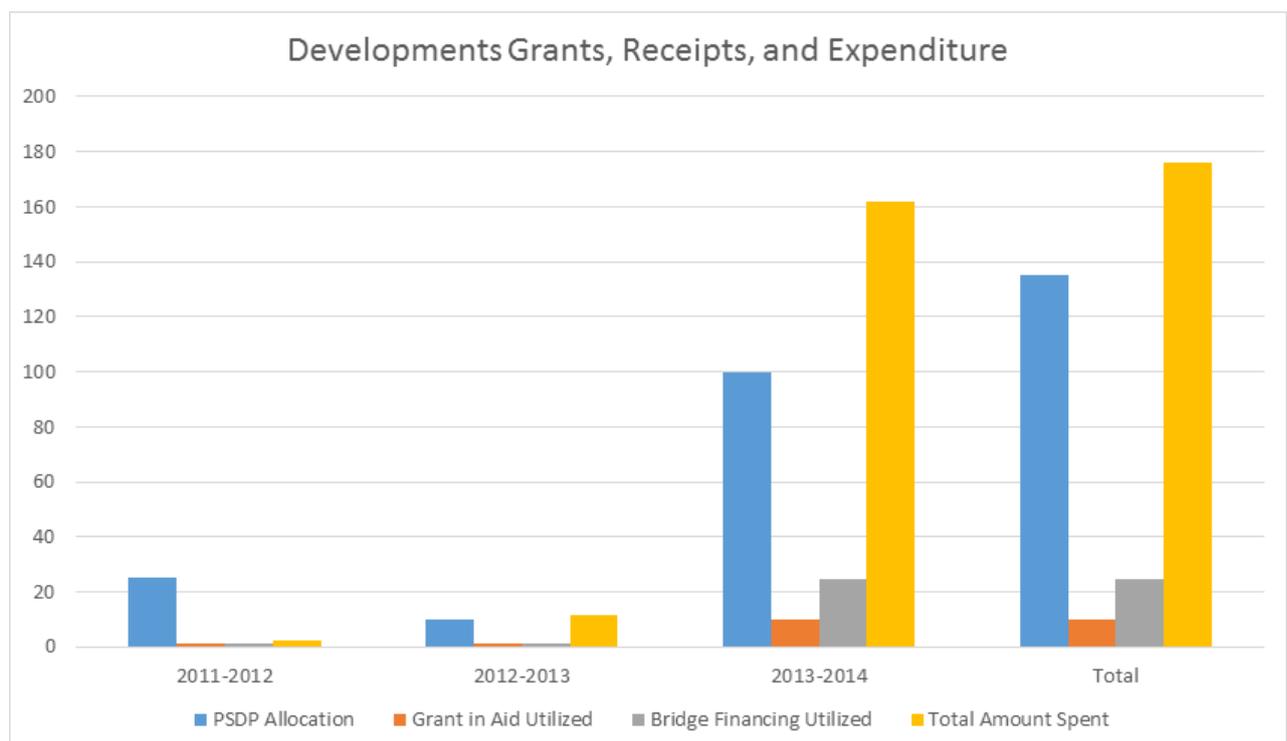

The Project had provisions for Civil works as well as for other operational and administrative costs such as HRD (Scholarships), purchase of various equipment, furniture and fixtures, books and journals, transport and security systems, salaries for faculty, administrative staff and project execution staff and miscellaneous operational expenses.

In the PC-1, the academic activities of the

university were projected to be started during the 5th year i.e. after completion of the Project; however, as per decision of the government; the academic activities were started during 2009, initially under Turbat campus managed through UoB and later on from July 2013, managed by UoT itself.

This change in schedule of academic activities as well as the time gap between the preparation of the PC-I and starting actual project on ground, created a wide gap between the PC-I provisions and actual costs incurred/ to be incurred. This has necessitated revising the PC-I and the revised PC-I has already been prepared and is under process for approval of the competent forum. In the meanwhile, in the light of the guidelines given by HEC, civil works have been awarded to a numbers of Contractors up to the overall financial limit of PC-I although the individual cost items have increased the PC-I limits. This has mostly happened in the case of civil work components and pay and allowances.

The position of receipts and expenditures of the project funds up to 30th June, 2014 is as under.

Developments, Grants, Receipts and Expenditures

Financial Year	Amount Received			Total Amount Spent
	PSDP Allocation	Grant in Aid Utilized	Bridge Financing Utilized	
2011-2012	25	-	-	2.45
2012-2013	10	-	-	11.78
2013-2014	100	10	24.85	161.87
Total	135	10	24.85	176.10

As can be seen from the above table, the total expenditures of the project were higher as compared to the funds received through HEC. The short fall was met from Bridge financing and Grant in aid provided by GOB to meet financial commitments of the Project. Had these funds not been provided by the Provincial government; the project work could not have been started as per schedule resulting in more delays and further increase in rates.

Revenue (Recurring) Expenditures and Receipts

Although the commencement year of the Project given in the PC-I was 2011-12 and funds amounting to Rs.25(M) and Rs.10(M) were released during Financial year 2011-2012 and 2012-13 respectively ; however, the project was actually started during the Financial Year 2013-14 after induction of full time VC and other key officers namely PVC, Director Finance/Treasurer and Controller Exams.

Budget for Recurring Expenditures

In order to reduce the burden on the development funds and to meet a number of non-development (Recurring) expenditures for the F/Y 2014-15, HEC was requested for granting an amount of Rs. 153 (M) under recurring budget; however, HEC has allocated an amount of only Rs. 30(M) under this head for the Financial Year 2014-15 out of which Rs. 8(M) have been released up to 30th September 2014.

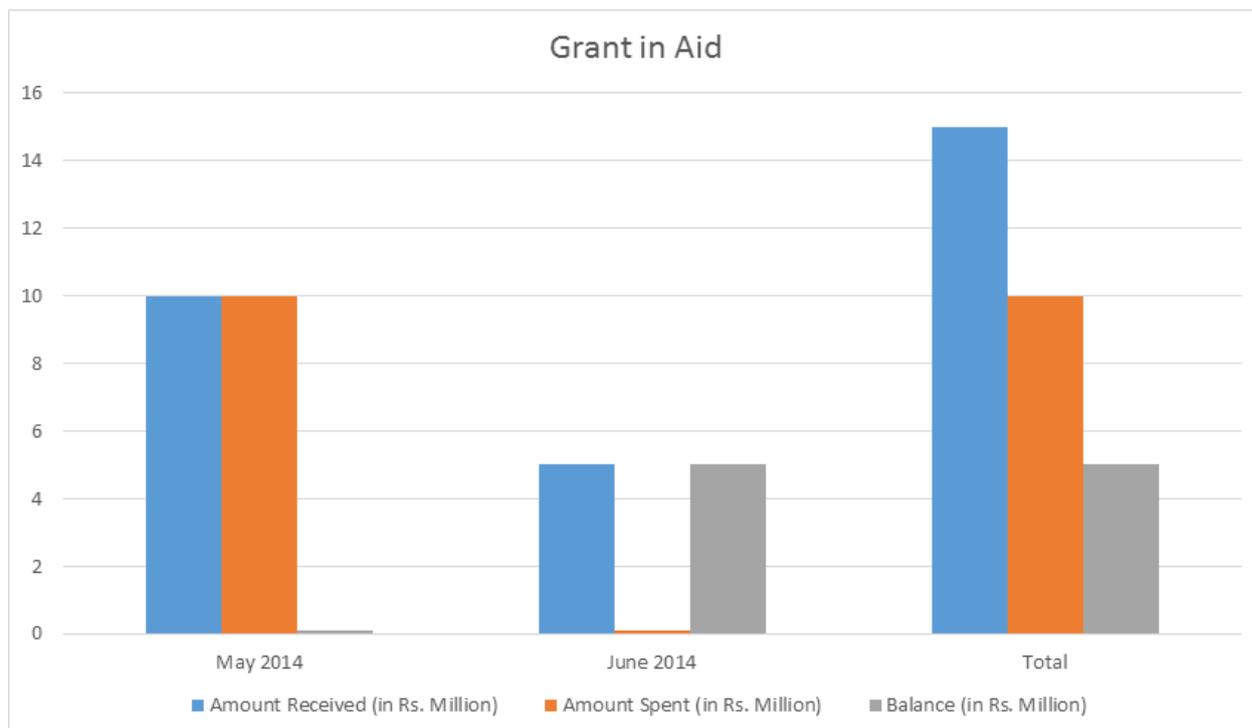

Endowment Fund

The honorable Chief Minister of Balochistan Dr. Abdul Malik Baloch, had announced during the stone laying ceremony of the UoT Project on 06th February 2014, to provide funds for establishment of Endowment fund. Accordingly an amount of Rs. 50(M) was received from GOB during last quarter of F/Y 2013-14 which was invested in three years term deposit in NBP @ 11.75 % P.a after obtaining comparative rates of interest through open and transparent bidding.

This fund is meant for investment in the long term deposit/securities in order to meet long term financial needs of the University and the profits/interest are utilized for providing scholarships and other benefits to the Students.

Grant in Aid

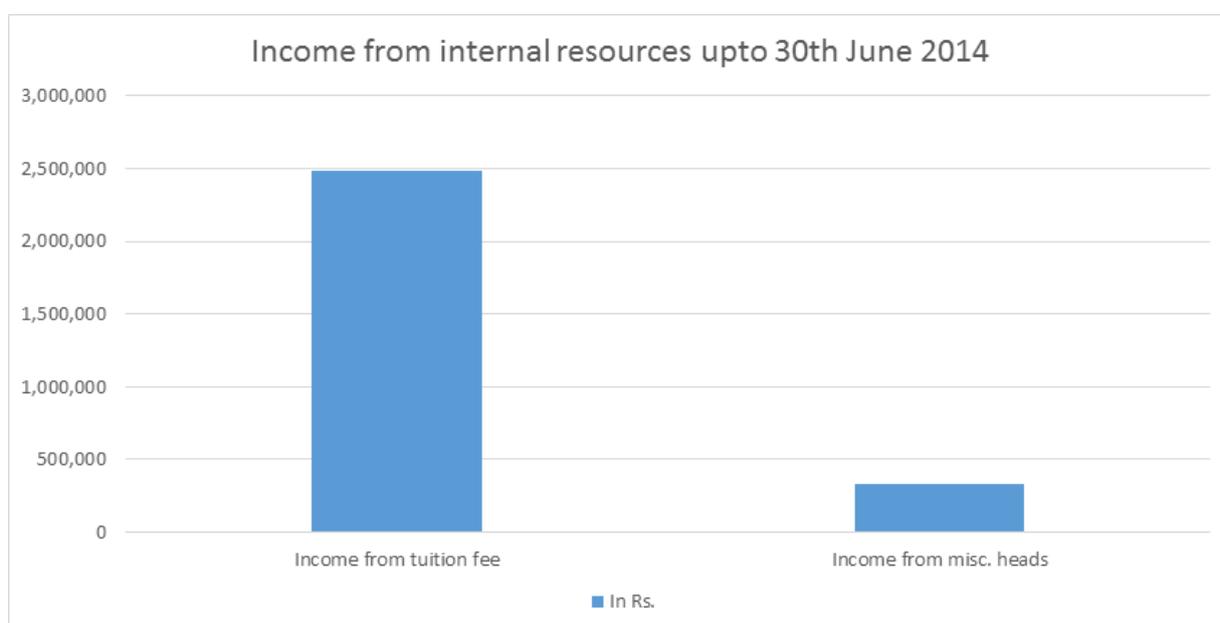

The Governor Balochistan/Chancellor PSU's of Balochistan was pleased to sanction grant in aid to UoT for the Financial Year 2014-15 amounting to Rs.15 (M). An amount of Rs. 10 (M) has already been spent on payment of Pay & Allowances. Action is in hand for utilizing the balance amount of Rs. 5 (M) for the purpose stipulated in the orders.

Month of Receipt	Amount Received	Amount Spent	Balance	Purpose
May 2014	10	10	-	Pay and Allowances
June 2014	5	-	5	Strengthening of Computer Labs and other facilities/parts payments.
Total	15	10	5	

Income from internal sources upto 30th June, 2014

Income from Tuition Fee	Income from other misc. heads	Total
Rs. 2,490,160	Rs. 333,940	Rs. 2,824,100

QUALITY ASSURANCE

Introduction

The Quality Enhancement Cell (QEC) in University of Turbat is a newly created cell according to the need of the modern times with the changing of the world. Mr Muzaffir Hussain (Chairperson Department of Political Science) is incharge of the cell. This requirement brought into fulfilment by the support of the Higher Education Commission of Pakistan in association with the Quality Assurance Agency (QAA) of Higher Education Commission of Pakistan. Since the establishment of the QEC, the section has performed many academic and extra-curricular activities in the University.

Goals

- To ensure the Quality Assurance in the institution by writing Self-Assessment Reports
- To provide Qualified and skilled Faculty members who will be trained by Qualified and experienced PhDs.
- To induct more and more PhDs and Postgraduate Faculty for the Institution.
- To establish cordial relationship with neighboring Universities and connect University of Turbat to other parts of the World.

Purpose

The main purpose of the QEC in University of Turbat is to ensure the quality education with the futuristic mindset which can be possible by the promotion and encouragement of different academic activities. On this regard, the In-Charge of Quality Enhancement Cell, University of Turbat has attended a two Days workshop on Quality Assurance for newly established QECs in the Universities in Pakistan, organized by Quality Assurance Agency (QAA), Higher Education Commission of Pakistan.

Since the establishment of the QEC, it has performed the following academic and Extra-curricular activities.

1. Mr. Muzaffir Hussain, Incharge Quality Enhancement Cell attended a two days' Workshop for Newly Established QECs in Islamabad and it was organized by QAA Higher Education Commission Islamabad.
2. QEC university of Turbat organized a 9 days faculty Development program for newly Inducted faculty members of UoT in which almost all 22 New inducted Lecturers attended the Training Session. It was inaugurated by the Worthy Vice Chancellor of University of Turbat Prof. Dr. Abdul Razzaq Sabir.
3. QEC UoT also prepared a Self-Assessment Repot (SAR) of Department of Political Science and submitted it to QAA with the prior approval of Worthy Vice Chancellor UoT.

SEMINARS, WORKSHOPS,
TRAININGS, & LECTURES

National Seminar on “Date Farming & its Industrialization in Mekran”

Department of Commerce, University of Turbat organized a one day national seminar on one of the key issues of the region with the title as “Date Farming & its Industrialization in Mekran” on Thursday April 3rd 2014. In the seminar, national and local scholars read their research papers and experts of the field discussed their experiences and issues. The program was attended by farmers, landlords, experts, industrialists, researchers of agriculture department, the key officials of all the departments of District and NGOs Kech, faculty members and administrative staff of UoT, students from various departments of UoT, students from colleges of Turbat and the press team.

The program was divided into two sessions, the first session was presided by Vice Chancellor University of Turbat, Prof. Dr. Abdul Razzak Sabir, and the chief Guest was Ex-Director Agriculture Bashir Ahmed Rind, however, the key note speaker was Acting Dean, Faculty of Economics and Social Sciences, LUWAMS, Prof. Dr. Manzoor Ahmed.

The president of second session was Mr. Mushtaq Ahmed Jatoy, Research Officer, Date Palm Research Institute, Shah Abdul Latif University, Khairpur, and the chief guest was the president of Date Growers Association, Kech Mr. Shay Haider.

In the seminar, it was concluded that a proper Date processing unit must be established for the desired amount of production, and systematic ways must be developed to capture the national and international markets.

The event organizers were Abdul Majid Nasir, Doda Rasheed, Mushtaq Mohammad, Essa Karim, and Mohammad Waris.

UoT Teachers Attend PCEP Training

Soon after meeting of selection Board and formal induction of 22 lecturers in different subjects including Commerce, Economics, Political Science, Computer Science and Balochi the Training center under auspices of the QEC in the UoT organized 9 days short training for the new teachers. The Senior teachers in the UoT who had already attended PCEP Training by HEC at UoB were the Master Trainers. Mr. Ghulam Jan Incharge QEC was the organizer of the training. Talikng on the certificate award ceremony the VC UoT Prof. Dr. Abdul Razzaq Sabir appraised the services of devoted teachers of UoT and said that after PCEP Training by HEC and FTDC at UoB, at UoT the QEC is now fully capable of organizing any training for capacity building.

One Day Training Session by Students of Human Resource

BBA 7th Human resource students organized a one day Training course. Aim to bring awareness about student's behavior and build a leadership potential for the Excellency in learning environment. Which was presented by Ms. Zarjan Naseer , Mr. Malik Jasim , Kaleem Haider, and Imran Habib. Speakers discussed the process of nurturing and nature, time management and the guidance to build self determination and leadership capabilities.

International Day of Mother Languages was celebrated, at University of Turbat

The international day of mother languages was celebrated by the Balochi department, university of Turbat here on Friday, 21 February 2014. The program was chaired by the worthy pro vice chancellor, university of Turbat, Professor Doctor Abdul Saboor Baloch, during his lecture he said that when we look at a glance in the history of the world languages then we come to conclude that hundreds of languages have become extinct and these languages are the part of the museums. He further added that it is the responsibility of the academies and the government to form different autonomous bodies for mother languages. He also mentioned that recently the Balochistan provincial government had decided to start Balochi classes from the primary classes.

Famous Balochi fiction writer professor Ghani Parwaz was the chief guest of the program. He delivered a lecture on the background of international day of mother languages. He further added that, it is the responsibility of the provincial government to start Balochi language courses from nursery level. He said that writing and reading in mother tongue is the basic right of every human beings.

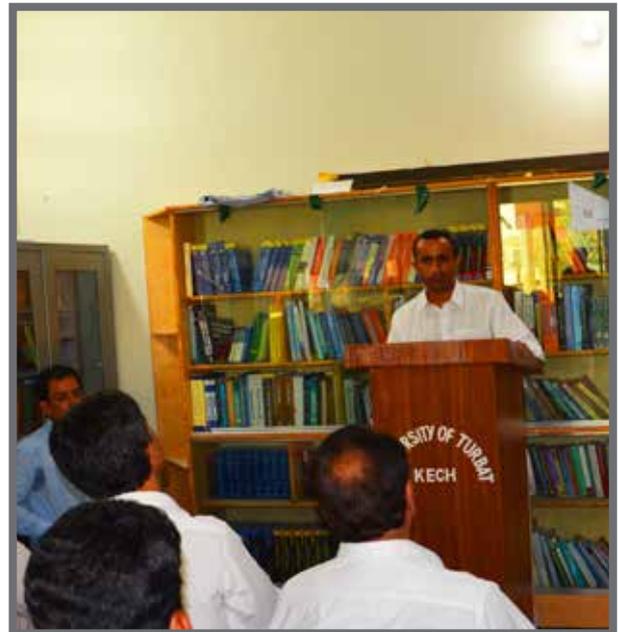

Chairperson of Balochi department highlighted the issues of Balochi language and put his suggestions, to handle the issues. He also emphasized the provincial government to start Balochi as a subject from primary level. He also highlighted the role of electronic and print media for the promotion of languages. He further said that presently there are three TV channels working for the promotion of Balochi language but instead of VSH NEWS others are not so much active.

International Lecture Series on Economic Development by Dr. Nek Buzdar (Michigan State University, USA)

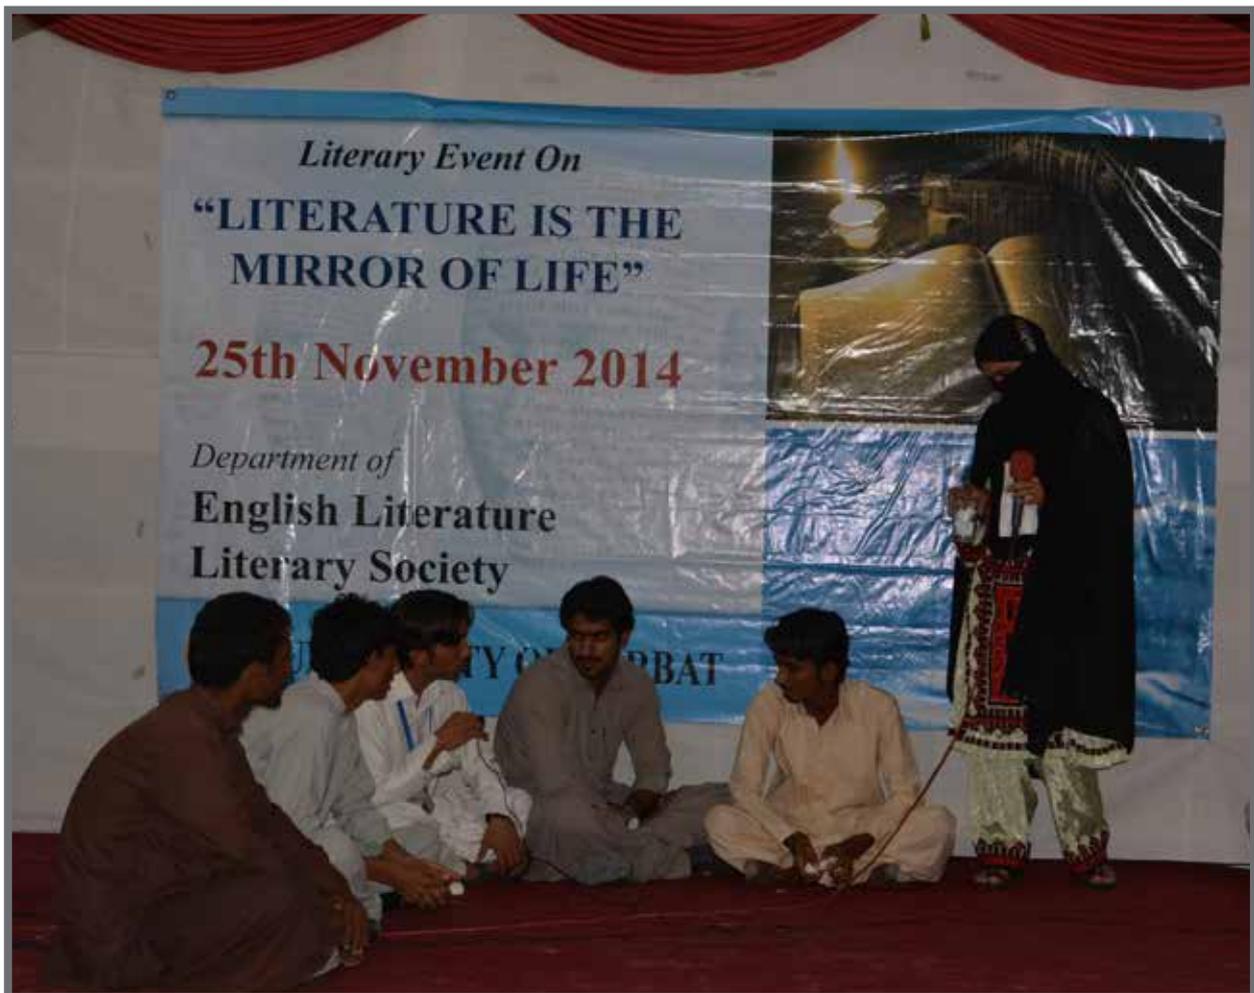

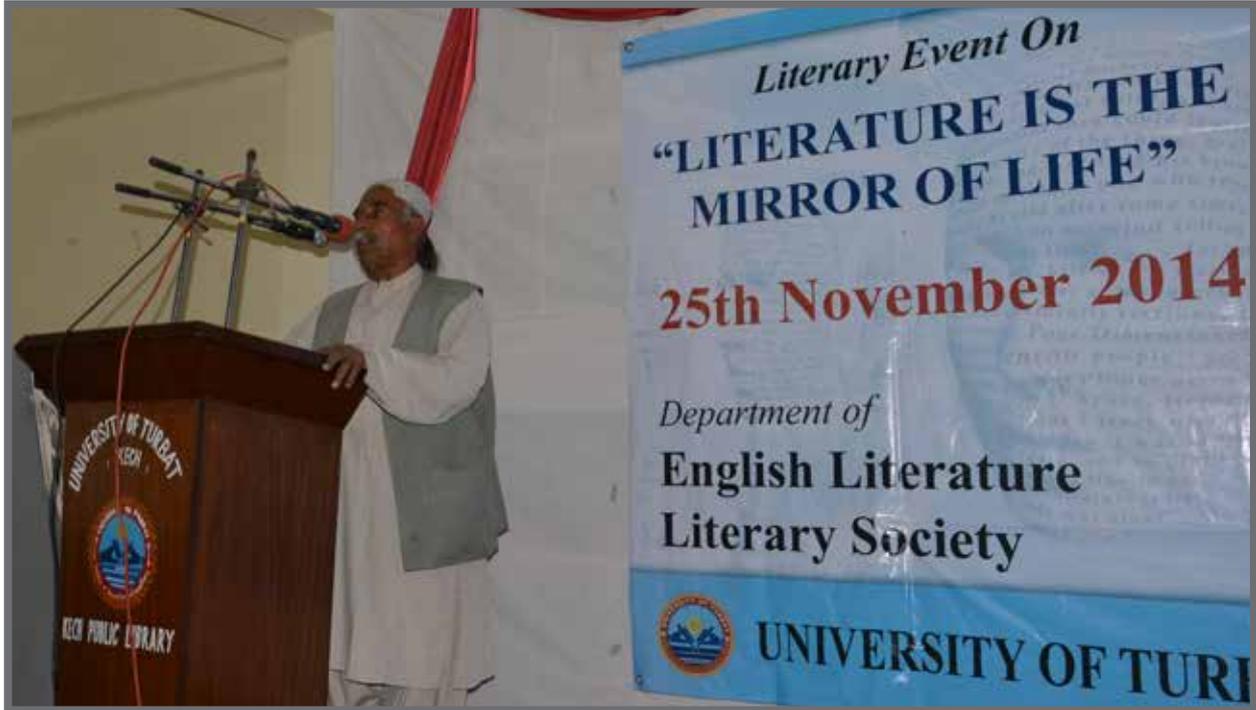

Lecture on "Education Opportunity in New Zealand"

Lecture Program on Balochi Linguist by Dr. Gul Hassan (PVC, LUAWMS)

Department of English Literature Organizes a Colorful Event

On 25th November 2014, under the banner of UoT Literary Society, Department of English Literature UoT held an event "Literature is the Mirror of Life". The program started with a note from the focal person Madam Durdana Baloch saying the literary society UoT aims at the development of literary taste and cultivation the rich literary minds of Kech and Makran.

The Event was blessed with the presence of the Worthy vice-Chancellor UoT, The Pro Vice-Chancellor University of Uthal Dr. Gul Hassan Baloch, the faculty members UoT, Qadeer Luqman, a famous young poet and a big number of students from different institutes.

The Department of Balochi took very keen part in the event and grabbed a number of prizes which involved the beautiful enactment of the legend of Qambar and the comic-poetry. The English Department was applauded for the fine show of the classic play of Dr. Faustus which included the scene of the Seven Deadly Sins.

The Vice-Chancellor praised the endeavor of the English Department. He asserted that the literary Society UoT will be encouraged to play its role effectively. He thanked the guest Dr. Gul Hasan for his presence.

At the end of the event, Chairperson English Department UoT, Adnan Riaz Baloch showed his gratitude for the presence of the guests. He reiterated the need of such events and believed that Uiversity of Turbat would prove a trend setter in this respect.

LINKAGEs & MOUs

MOU Signed between UoT and UoB for promotion of educational bonds

A memorandum of understanding (MoU) was signed between the University of Balochistan (UoB) and University of Turbat (UoT) here on October 22, 2013.

The Vice Chancellor of UoB, Professor Dr. Abdullah Khan and Vice Chancellor of UoT, Professor Dr. Abdul Razzaq Sabir signed the MoU on behalf of their respective Universities. Under the agreement, the universities would promote the academic and educational bonds keeping in view of their mutual interests. The academic seminars, training sessions and conferences would also be arranged mutually besides the exchange of mutual visits of the teachers and students of the two universities. Moreover, academic material would also be provided for the purpose.

Speaking on the occasion, Professor Dr. Abdullah Khan of the UoB said that it is the pressing need of the hour to develop mutual relations between the higher educational institutions. The experiences and expertise could also be benefitted through the mutual cooperation, he maintained.

He also said that the UoT is a new higher

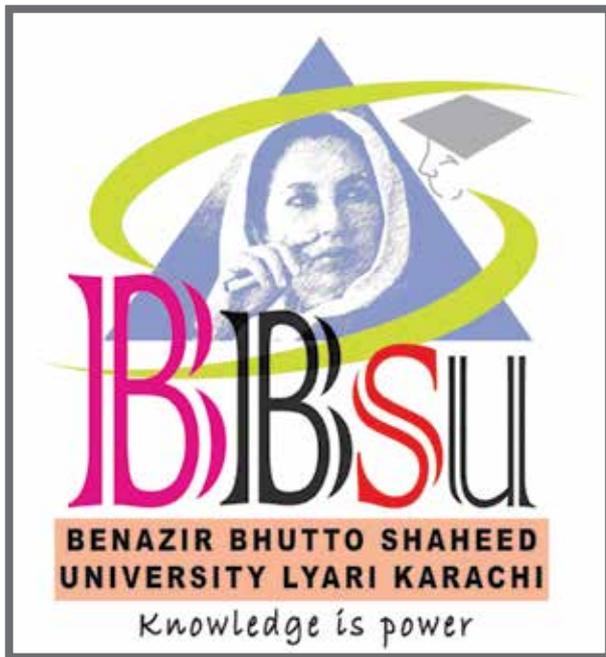

educational institution in the province and it has deep relations with the UoB. More agreements would be signed with the University (UoT) in order to improve the existing relations in future, he vowed.

Also present on the occasion were the Pro-Vice Chancellor of UoT, Dr. Abdul Saboor Baloch and Mr. Ganguzar Baloch, Registrar of UoB, Muhammad Tariq Jomezai, Dean, Professor Abdul Latif and other concerned.

Earlier a charge handing and taking over was inked by Prof. Dr. Abdul Razzaq Sabir, VC UoT and Prof. Dr. Rasool Bakhsh Raisani, VC UoB in June, 2013.

MOU Signed between UoT and BBS University Lyari, Karachi

A memo randum of understanding (MoU) was signed between the University of Turbat (UoT) and Shaheed Benzair Bhutto University Lyari Karachi (SBBU) here on 14 May 2014 at Karachi. Vice Chancellor of UoT, Prof Dr. Abdul Razzaq Sabir and Vice Chancellor Shaheed Benzair Bhutto University Lyari Karachi Prof. Dr. Rasheed Ahmed Shah signed the MoU on behalf of their respective Universities. Under the agreement, the universities would promote the academic and educational bonds keeping in view of their mutual interests. The academic seminars, training sessions and conferences would also be arranged mutually besides the exchange of mutual visits of the teachers and students of the two universities. Moreover, the academic material would also be provided for the purpose. Speaking on the occasion, both VCs said that it is the pressing need of the hour to develop mutual relations between the higher educational institutions. The experiences and expertise could also be benefitted through the mutual cooperation, he maintained.

He also said that the UoT is a new higher educational institution in the province and it has

deep relations with the UoB. More agreements would be signed with the University (UoT) in order to improve the existing relations in future, he vowed.

UoT inks MOU with UNDP

University of Turbat has inked a MoU with United Nations Development Program (UNDP) Pakistan, to provide a framework of cooperation and facilitate collaboration between the Parties, on a non-exclusive basis, in areas of common interest, Including collaborate in enhancing civic education by engaging UN Youth Volunteers from the University. To establish coordination mechanism between the University, and UNDP Pakistan is also a main clause of the MoU. It is worth mentioning that this is the first ever MoU inked by University of Turbat with an International Organization.

Future MOUs to Ink with

International Universities

The Second meeting of the Syndicate of University of Turbat was held on Monday 24th November, 2014 in the Campus Library. Besides confirming minutes of the last meeting, Syndicate approved the minutes of the First and Second meetings of the Academic Council, Faculty Council, First, Second and third meetings of the Finance and Planning Committee and first meeting of the Selection Board of UoT. Syndicate further accorded approval of two new Science subjects including Chemistry in the University. The Vision and Mission statement of the University were approved in the Syndicate and approval for Annual Report of the University of Turbat was granted for the year 2013-2014.

The syndicate meeting was chaired by VC UoT Prof. Dr. Abdul Razzaq Sabir and the members of the meeting included, Dr. Abdul Saboor, PVC, UoT, Dr. Gul Hassan, PVC, LUAWMS, Uthal, Mr. Abdul Hameed Baloch, Advocate, Mr. Ghulam Farooq, Director Finance, UoT, Mr. Tanvir Ahmed, Controller Examinations, UoT, and Mr. Muhammad Hayat, Registrar, UoT.

Academic Council Meeting

The second meeting of UoT Academic Council was held here on 19th September, 2014. Vice Chancellor University of Turbat Prof. Dr. Abdul Razzaq Sabir chaired the meeting. He gave a brief summary of the University achievements of the past one and half years. He said that University of Turbat had achieved a great deal in a relatively short period of time. Getting recognized from Higher Education Commission, successfully conducting regular classes for M.A and MSc, induction of new Faculty members, Foreign Scholarships for the Faculty, setting up a state of the art library and laboratories were some of the highlights down the lane of its success story. The Vice Chancellor further stated the University of Turbat was endowed with the sacred mission of filling the educational vacuum in the region and expressed his gratitude to the people of Mekran for their unwavering commitment toward the cause of Education and reposing their confidence in the newly established University.

Pro VC UoT Dr Abdul Saboor, Registrar Mohammad Hayat, Controller Examinations Tanvir Wadar and the Head of Departments, along with other members also attended the meeting.

Finance and Planning Committee

The meeting of UoT Finance and Planning Committee was held here on 19th Oct, 2014 at the Main Campus of University of Turbat. Vice Chancellor UoT Prof Dr Abdul Razzaq Sabir presided over the meeting. While addressing the members, Vice Chancellor UoT reiterated his commitment to the provision of quality Education in Mekran. He held that the recent decision to incorporate Science Subject at the university is monumental and will provide the locals with the opportunity to study Science Subjects right in their hometown, obviating the need to cover long distances for the same.

Later on the third meeting of the Finance and Planning Committee took place at Karachi on 15th of November, 2014, in which the revised PC-1 of the University of Turbat was discussed in detail and approved.

DEVELOPMENT WORK

EXTRA CURRICULAR ACTIVITIES

Business Gala 2014

The Business Gala 2014 in University of Turbat was held for two days on 19th and 20th November, 2014. The honorable commissioner of mekran Mr. Abdul Fateh Bhangar inaugurated the event by cutting the ribbon along with the worthy Vice chancellor UoT Dr. Abdul Razzak Sabir.

The Business Gala 2014 was organized and managed by the Chairperson Department of Management Sciences Mr. Mumtaz Ahmed and his team including Chairperson Department of Commerce Mr. Essa karim.

A total of 28 Business and information stalls were setup, participated by all the departments of this university. Besides these stalls, Admission desk was setup by the admission department of UoT. United Bank Ltd and SPO also setup their information stalls to provide information and awareness regarding their institution and work.

This is the second such event to be held in this university. A huge success for the university as it received enormous response from the people of kech, business society, literary society, teacher, students of schools and colleges etc. People joined this colorful and enjoyable event with families and kids.

Ceremony was concluded by distributing winning prizes, shields and certificates among the participants.

Business Gala 2013

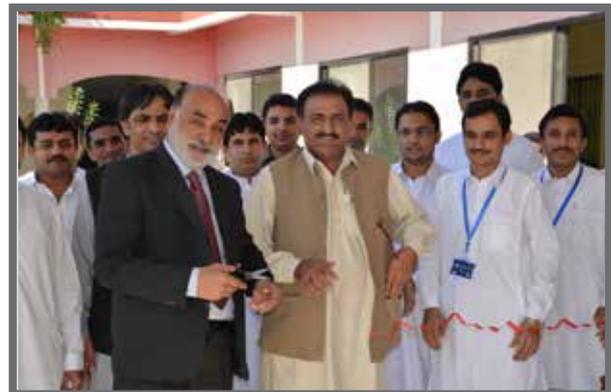

The very business gala of university was held on 30-Nov-2013 which was inaugurated by the vice chancellor Prof. Dr. Abdul Razzaq Sabir. In his inaugural speech he admired the committed efforts of the organizing team of this event. He optimistically enunciated that this sort of events will be continued to provide the model of practical life of contemporary era.

The business gala was divided into two sessions. The initial session was opened for the female visitors. The students of various institutions of Turbat visited the business gala. The female visitors showed their keen interest by purchasing items of various products. On the other hand the second session of this event was opened for male visitors. Where the teachers and students of various institution i.e. Govt. Atta Shad Degree College, High School Chahsar, Syed Hashmi School, DELTA and Kech Grammar School visited this program.

In this event the students opened 14 stalls of various products. The cultural museum allured visitors with the classical music, where ustad Gohram and his team played their instrumental master pieces. The stalls of foods and eating stuffs entertained the visitors with great and

aromatic taste.

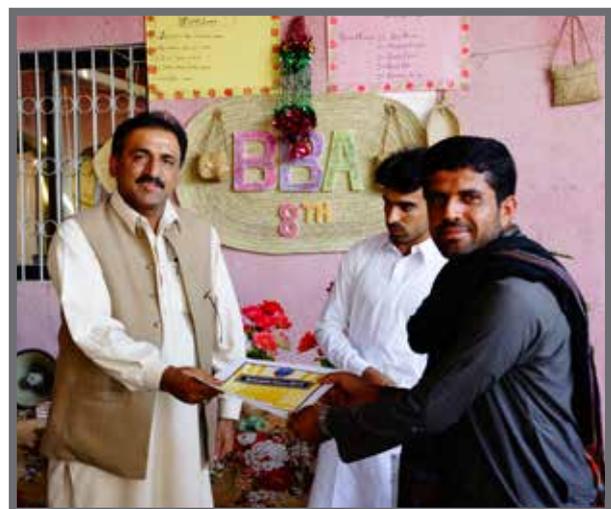

Vice chancellor prof. Dr. Abdul Razzaq Sabir, Pro-VC Prof. Dr. Abdul Saboor, Deputy Registrar Ganguzar Baloch visited the stalls to encourage the organizers of the business gala. They briefed the media members about business gala and asserted that these type of programs

provide practical implementation to the students of Commerce and Management Sciences. The stalls arranged and ran by students, enabled them to grasp the ideas of latest commercial and management trends.

The visitors eagerly showed their interest and thanked the Vice Chancellor and his team for arranging a marvelous learning amusement. In a very short span of time University of Turbat has taken its track to success. In last four years the University provided graduation level courses i.e. B.Com B.B.A. and B.S.C.S.

The vice chancellor rewarded the team of this business gala with a picnic of Rs. 25,000/-. The business gala was organised by Tahir Badini, lecturer of management sciences, Abdul Majid Nasir, chairman commerce department and their students.

Sports Week 2014

Sports week 2014 of university of Turbat started here on Monday, 17, 2014. worthy vice chancellor Professor Doctor Abdul Razzaq Sabir inaugurated the event with the first ball of the over of the cricket match and pro vice chancellor Professor Dr. Abdul Saboor Baloch with first kick of football match .worthy vice chancellor said that co-curriculum activities are most important for the student as well as curriculum. During the sports week all the student of the university from different department have participated in different games e.g. musical chair, darts, scribble, badminton, cricket, football,,,,,etc, similarly large number of the students had participated in local and Balochi games e.g. Sad Kachchi, Choki, luddo and nuh gaddoki.

At the ending ceremony of the event

pro vice chancellor, university of Turbat, Doctor Abdul Saboor Baloch addressed the participants and said, sports are the part of study. He further said that this event is the result of all the faculty members and supporting staff, he also appreciated the efforts of sports officer Mr. Abdul Majid Nasir, to conduct such event successfully. At the end of the event Pro vice chancellor Professor Doctor Abdul Saboor Baloch distributed prizes among the students.

Department of Computer Science Holds “Hour of Code” at Campus

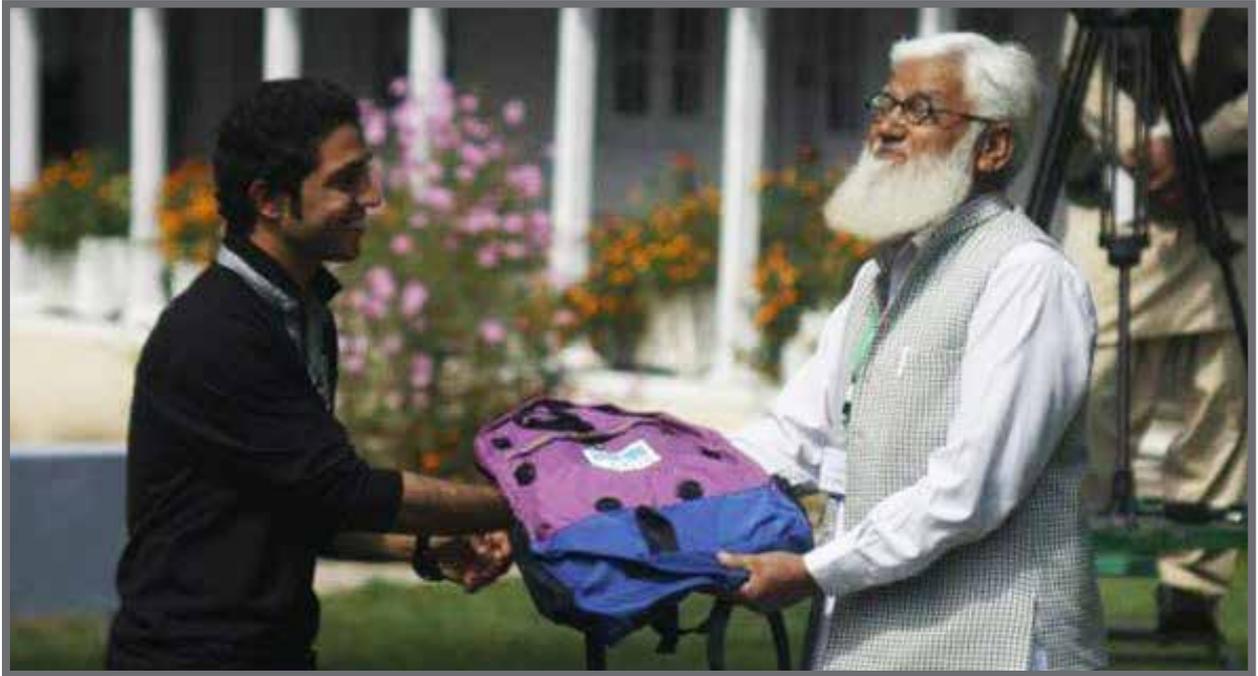

On 10th and 11th of December, Department of Computer Science held the international event “Hour of Code” at its campus. The event was co-organized by HR Department. This event is held across the globe for the awareness of computer science in groups of all age, though computer science is still a new field compared to well known field of Engineering, Medical, and Business.

The students of computer science arranged the computer lab at the city campus and with the help of Directorate of IT, Muhammad Sameer, set the PCs with the dedicated “Hour of Code” game. After a brief introduction to computer science, the participants, who were school students of class 10th, were introduced to the game. Later the students were seated in front of PCs and gave an hour to do the game (hence the name hour of code), that had graphics but to be solved logically.

At the end of the event, participants were offered refreshment and certificates were distributed among them.

The result of this event was effective as most of the participants were unaware about computer science as a field, and thought of it as just a tool, but now they increased their fields option list by adding by “Computer Science” to it.

Student of UoT Attends Markhor 2014

Youth Impact, a non-governmental nationwide youth network organization in Pakistan, launched Pakistan 1st wilderness based youth leadership conference held at Mukshpuri peak, Nathiagali, on September 25-28, 2014.

The delegate MUZAFFAR SHAN (BBA 8th semester) has been selected among thousands of aspiring applicants for showing considerable leadership potential. He is the only individual From MAKHRAN division and the participant who traveled through the longest distance to attend the MARKHOR14 Conference. His commitment to aim in life, determination, and thirst to be a future social leader and a great human being is highly appreciated.

UoT Students Attend ITCN Hackathon by Microsoft

ITCN Asia organized Windows Phone Hackathon in collaboration with Microsoft at Expo Center Karachi, from 26th to 28th of August. This Hackathon was a developer's challenge for building applications in different categories for Microsoft Windows Phone 8 and 8.1. This competition was open for all, so a student, a teacher or a professional developer could apply. Because of limited seats availability only first registrants were adjusted. Fortunately Ghulam Mustafa (BSCS 8th Semester) and Jaami Parvez (BSCS 4th) were selected as a team, named Elite Nybbles for this Hackathon. The team represented University of Turbat among many other institutions. Our team had performed marvelously during the three days and they qualified for the second round.

A Study Tour

The purpose of this study tour was to introduce the student to the many facets of the Pakistan business and IT environment. Departure preparation was included a broad understanding of the historical, cultural and economic underpinnings of the Pakistan's other provinces. Students visited Karachi, Lahore, Islamabad and Muree . The tour was prepared for Final students of BBA, BSCS and B.com

This was the first study tour of Turbat university students but the initiative will continue. Essentially, the tour was concerned to use the insights of others who, because of their geographical setting, have a distinctive perspective. Academics in Punjab and Sindh have more experience than is available in Turbat Kech of facilitating and supporting learning among dispersed students. Further, the process of supporting them through new technologies has been quite extensively researched there. The specific purpose of the visit was to inform the formulation of Mekran first univerty that is currently being established. These will serve more than 50,000 dispersed students, trainees and teachers in the Learning and Skills Sector

undertaking courses leading to the awards. Continued development of these communities requires moving towards more advanced, "second generation" versions.

UoT Logo Competition held and Chancellor selected the Final logo

In order to select a proper and unique logo (Monogram) for University of Turbat, an open competition was announced through National and local newspapers. More than 20 contestants participated and presented more than 70 logos/ monograms and then a committee under the chairmanship of the VC UoT in its meeting selected a panel of 3 logos and later the panel was presented to the Chancellor UoT and Chairman Senate UoT. Governor Balochistan in anticipation of the approval of Senate approved the logo given below designed by Muhammad Fahim Baloch from Department of Mass Communication University of Balochistan as new logo of the University of Turbat.

The logo selected for second prize was designed by Ghulam Mustafa of UoT and the third prize went to Mr. Junaid Qadir Registrar BUIITEMS, Quetta. They were awarded Cash prize of Rs.40,000, 20,000, 20,000 respectively with appreciation certificates by the VC and PVC UoT.

OBITUARY

A Brilliant Life Cut Short

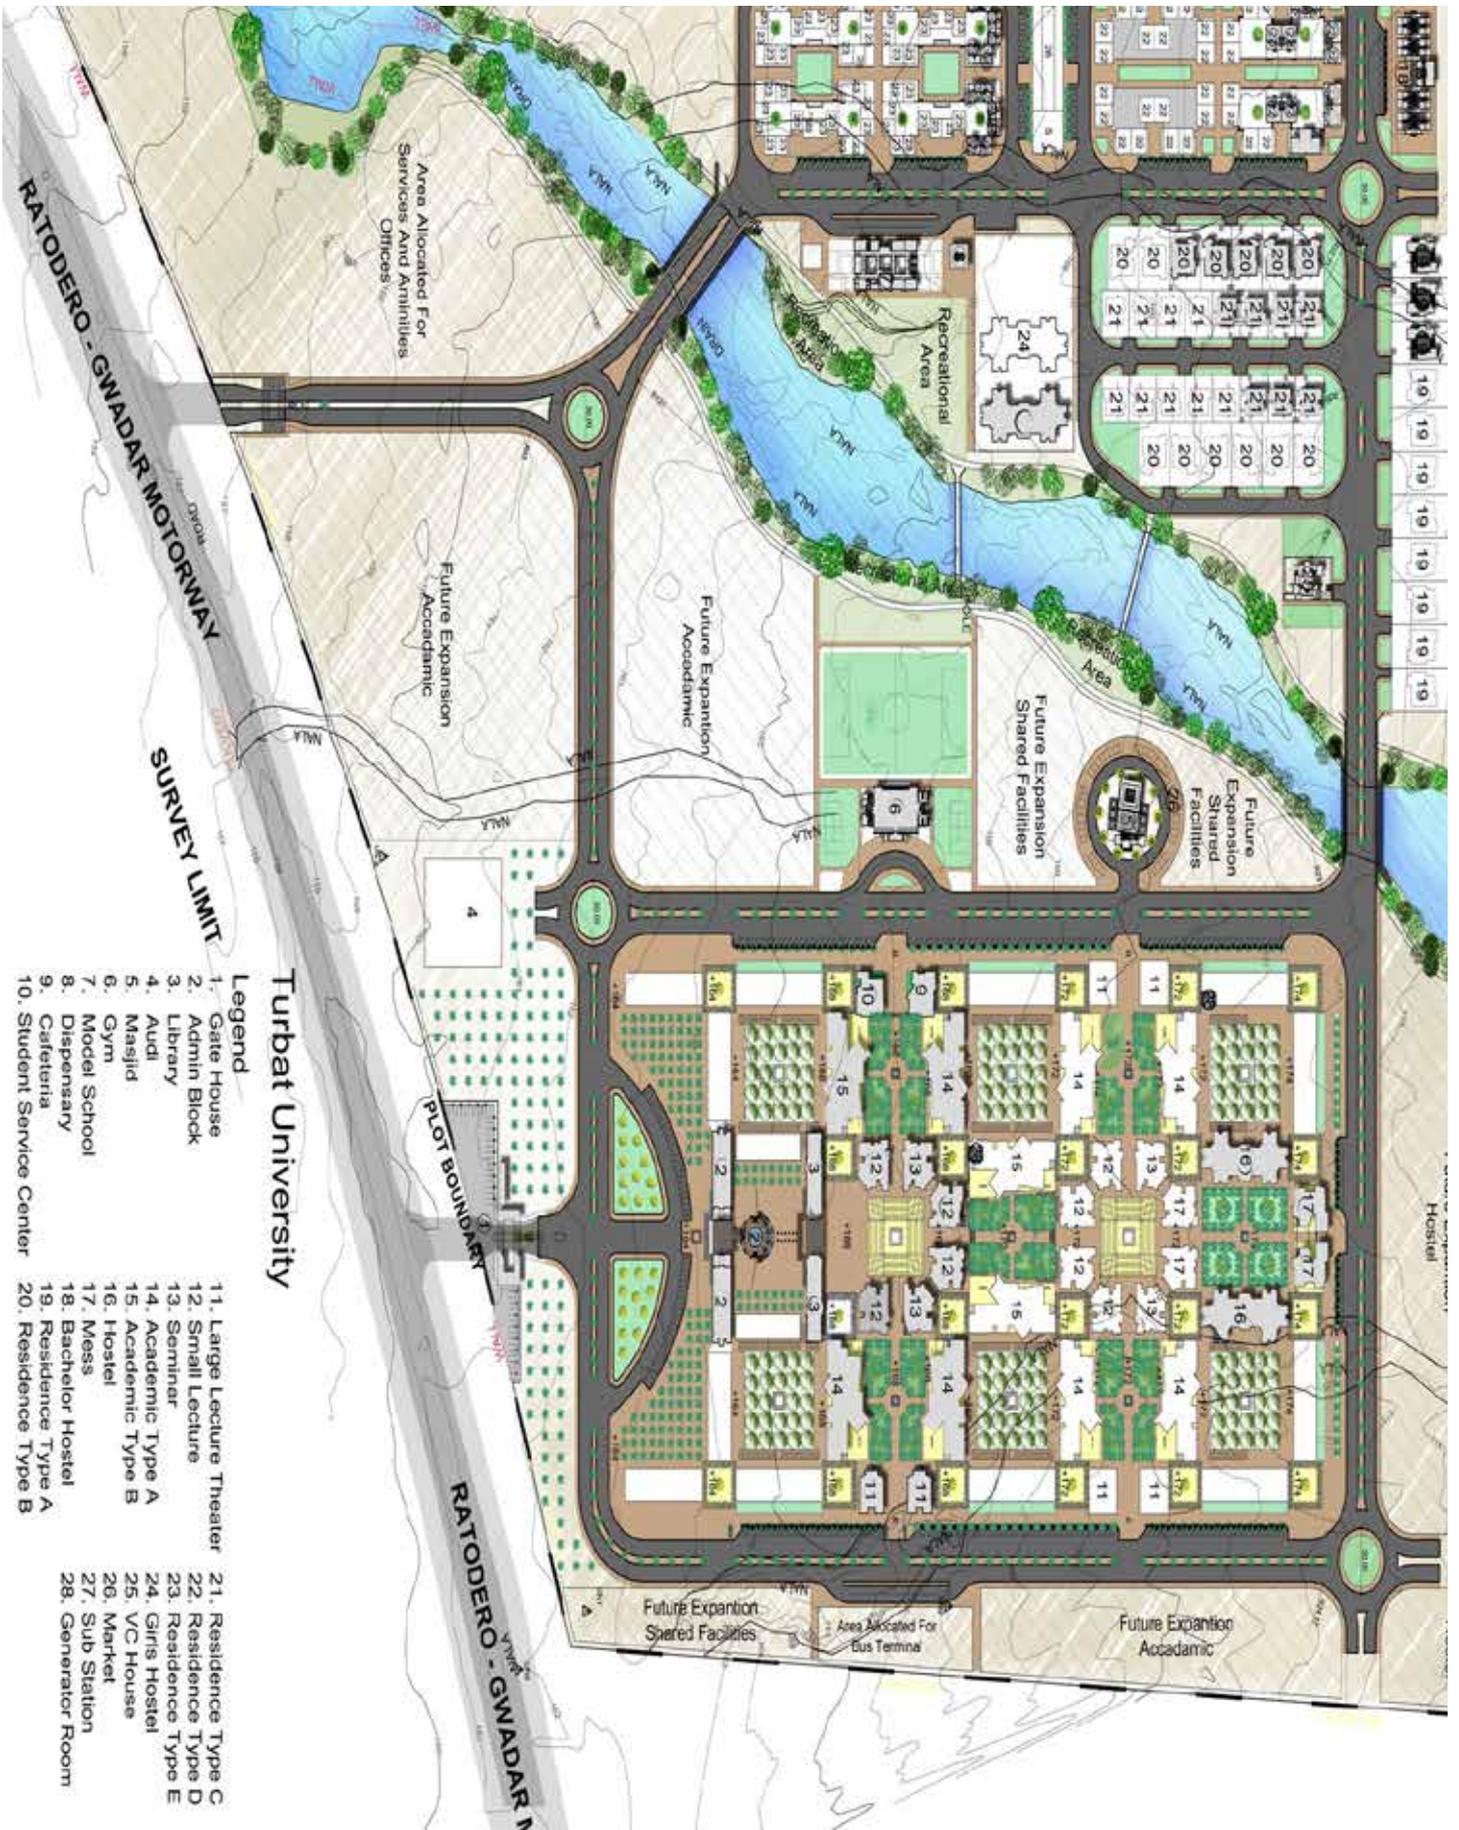

Kaodha Doda Rasheed or Doda as we used to lovingly call him, left us shaken with grief as he passed away following a deadly motorbike accident on the unfortunate morning of 4th Sep, 2014. He was on his way to the University.

Doda Rasheed was at the time of his untimely death, working as a regular Faculty member in the Department of Commerce, with the additional charges as Deputy Controller of Examinations and Principal Staff Officer to the Vice Chancellor University of Turbat. He had recently clinched a PhD scholarship and secured admission in a Turkish University.

Doda Rasheed born on 11 August 1987 in small village of Shaikahan, District Kech. Acquired his basic education from Nodiz and completed his Matriculation from Government High School Nodiz. For further education he admitted in Government Degree College Turbat where he completed his Intermediated and proceeded to Quetta for his graduation. After completion of .B.Com from Quetta Degree college joined Baha Uddin Zakria University and completed his MBA.

He will be greatly missed and everyone here at the University is deeply saddened by his sudden demise in the prime of life. Our thoughts and prayers are with his family at the irreparable loss.

May his soul rest in Peace.
