Slogan

Tradition - Innovation - Excellence

Mission

Our mission is to educate and nurture the future role players, decision makers and responsible individuals. Commitment to the ideals of creating knowledge economy.

Opening new vistas for meaningful and original research in innovation and excellence. Remaining true to principals of merit, selfless service, and utmost objectivity. Make genuine efforts to better the lot of the people through harnessing talent and harvesting potential.

Vision

Meet the ever changing needs of the society by building on its traditions of innovation, and excellence and providing an educational resource to the people of the region.

District Kech of Makran division with a population of around 15 lacs, the land of a romance legend, has always been a place of importance for its geographical location, and famous for its production of date fruit.

The people of the region had always longed for a university nearby. Their dream finally materialized in the shape of an independent University in May 2013 under the University of Turbat Act 2012. This was made possible due to the zealous efforts put in by academic and administrative staff at the sub campus with the support of natives, political parties, provincial government and management of University of Balochistan.

The Project titled "Establishment of University of Turbat" was approved by ECNEC during May 2011. Although the commencement year of the Project given in the PC-I was 2011-12; however the Project was actually started from the F/Y 2013-14 after induction of full-time VC and other Senior officers. According to deputy project Director Kazi Kashif Baloch, almost 85% of the construction works have been completed by December 2017 in a record period of four years only and university has been shifted from rented building to its permanent building situated at M-8 Ginna area in October 2017.

The new building comprises all facilities for higher learning including academic blocks, class rooms, lecture theaters, video conference hall, Computer labs, Chemistry labs, Café teria, Student facilitation Centre, admin blocks, Bachelors Hostels, Central Library, boy's hostel, girl's hostel, residential colony, sport complex, mosque, Primary School, and Medical Center. Despite the heavy odds and daunting challenges, University of Turbat is on way to bringing an educational revolution in the domain of higher learning in Mekran Division.

Soon after taking oath as Governor Balochistan, Honorable Mohammad Khan Achakzai and then Chief Minister Balochistan Honorable Dr Abdul Malik Baloch, in collaboration with Higher Education Commission extended exceptional support and assistance for the development of Turbat University. The provincial government led by Chief Minister Nawab Sana Ullah Khan Zehri and Federal Government have ensured to expedite the process of the growth of Turbat University.

Professor Doctor Abdul Razzaq Sabir and Professor Doctor Abdul Saboor Baloch took over the charge as first Vice Chancellor and Pro Vice Chancellor of University respectively. Within a short span of time Vice chancellor with the support of supremely qualified faculty members and smart working administrative staff, introduced under-graduate and post-graduate programs in various departments including Department of Management Sciences, Computer Science, Commerce, Balochi with M.Phil courses, English, Political Science, Economics, Education, Chemistry, Bio-chemistry last but not the least department of Law. The CPEC Study Centers at main campus Turbat and Gwadar Campus are addition in the research on CPEC related subjects. The university after getting formal approval by the HEC has also started M.Phil program in department of Chemistry and Institute of Balochi language and Culture.

In 2016 the Department of Baloch was converted into Institute of Balochi Language and Culture for the core purpose of advanced studies and research in the fields related to Balochi Language, Literature, Education, Art and Culture. Under the directorship of Prof Dr Abdul Saboor Baloch, the the IBLC is working to preserve and promote the Cultural heritage of Baloch and Balochistan and to ensure its continuity by disseminating it in the younger generation. The

Mullah Fazul Chair is also the integral part of the institute. Since its inception as a Sub Campus of University of Balochistan in November 2009, the program of BBA 4 years, BSCS 4 years and B.Com two years had already been introduced in the Campus.

With around eighteen hundred students and 120 employees, the University of Turbat has been providing quality education and financial assistance to its students through Prime Minister's Fee Reimbursement scheme, Balochistan Endowment Fund, HEC Need Based and merit based Scholarship, Kareem Dashti scholarship and many other merit based scholarships. The passed out graduates and alumni of University are expected to play a vital role in the activities of the projects under China Pakistan Economic Corridor (CPEC) to bring about prosperity in the region.

University of Turbat believes to promote a culture of innovative and entrepreneurial, to foster and integrative thinking among students so that they could contribute in the projects of (CPEC) and could bring Pakistan towards the economic independence.

Following the nonstop academic success and unfaltering achievements along with the completion of all formalities, the University of Turbat was recognized by the Higher Education Commission of Pakistan as the 158th public Sector University in the country and second public Sector General University in the province on 12th March 2014 within 10 months after switching over to a full-fledged University from a sub campus of Balochistan University.

In this short span of time, University of Turbat earned a number of accolades which have been acknowledged by the people from all walks of life in the country.

As many as talented and qualified 50 faculty members and scholars have been sent to different universities of Pakistan and abroad Malaysia, Thailand, Turkey, Germany and UK for M.Phil., MS, Ph.D. and MS leading to Ph.D under the Human Resource Development Program, Aghaz e Haqooq Balochistan Scholarship and other HEC scholarships scheme.

More than dozens of them, after completion of their degree have re-joined University and rest of them are expected to rejoin the university very soon. By the year 2020 the number of Ph.D faculty are expected to raise up-to fifty.

With 70 highly committed faculty members including 10 Ph.Ds and 17 M.Phil and MS qualified, University of Turbat has grown to become a research led university, known for the excellence of its teaching, tradition, innovation and academic services being rendered to the people of Mekran, Balochistan and other provinces as well.

University of Turbat enlisted its name in the list of that successful university of the country who managed to hold its first convocation within three years of its inception. The 1st Convocation of the University of Turbat was held on March 8, 2017 at newly built University Complex near ginna area. Governor Balochistan and Chancellor University of Turbat Muhammad Khan Achakzai presided over the 1st convocation in which 220 graduates were conferred degrees and 12 position-winning graduates were also awarded gold medals. The convocation ceremony was attended by then Chief Minister Balochistan Dr Abdul Malik Baloch as guest of honor, member election commission of Pakistan Justice (R) Shakeel Ahmed Baloch, prominent political figure Syed Ihsan Shah, Zahoor Ahmed Buledi, present and ex-members of the senate, federal and provincial Assembly, vice chancellors of different universities, officials of the civil and armed forces, local notables, educationist and representatives of the civil society and media.

University succeeded to hold the meetings of its statutory and other bodies like Syndicate five time, Academic Council seven time, Finance and Planning Committee seven time, Faculty Council two time, Board of advance study and research two time, selection board six times, as well as all important meeting of the apex body the Senate three time.

Universities are recognized and acknowledged worldwide mainly by its research and publications output going hand in hand with academic development.

Research and publications have been the defining distinction of the University of Turbat ever since its establishment. Earnest efforts are consistently made to promote a vibrant research culture and provide a favorable environment to both its faculty members and students for exploration and innovative market oriented higher learning.

University of Turbat launched its very own annual Research Journal GIDROSHIA for this specific purpose while IBLC also has initiated its research journal (MEERI) recognized by the HEC.

The Office of Research, Innovation, and Commercialization (ORIC) with the aim to promote and enhance research activities, providing a complete platform to the researchers and augment their research skills from working bench to a furnished product. The ORIC in UoT is striving to establish strong links with industry in order to facilitate the students for seeking internships and getting research projects for ensuring their future bright.

A bi-annual newsletter "KECH NEWS" from main campus and "ZERWAAN NEWS" from Gwadar campus are another symbol of distinction for the University. Therefore, University of Turbat is enlisted as one of those successful general Universities which have achieved the enviable feat of publishing their Annual Research Journal, Bi-annual Newsletter, Annual Report, Prospectus and Convocation Booklet in such a short span of time. This is truly a big success story for a University in such a far flung and remote area.

University of Turbat, being a student centric university, is extending all possible facilities to its students for quality higher learning, research, and extracurricular activities. Having established a well-furnished and equipped computer lab with latest computers funded by Governor Balochistan Muhammad Khan Achakzai, connected with internet giving access to the major information and communication networks worldwide to enhance research culture and advanced studies within university.

A smart video conference Hall has established by HEC to connect the university with national and international institutions of higher learning.

Directorate of Information Technology, the backbone of the university, is one of the paramount achievements, connected to Pakistan Education and Research Network (PERN 2) by the Higher Education Commission of Pakistan, providing Wifi services to students, faculty members and administrative staff.

Besides seminar libraries in each department, university also has campus library and university public library with more than 30,000 books on different subjects, national and international research journal, publications, periodicals, and newspapers.

The building of University Public Library was handed over to university of Turbat as per the directives of then Chief Minister Balochistan Dr. Abdul Malik Baloch.

Directorate of Public Relations, a career counseling and student affairs cell have been established to help the students to resolve job related issues such as finding work and setting career goals.

The Quality Enhancement Cell (QEC) with the support of Quality Assurance Agency of Higher Education Commission of Pakistan is working effectively according to the needs of modern times in a changing world. Prof Dr Gul Hassan Director QEC is vested with the responsibility to ensure quality education with the futuristic mindset, encourage different academic activities, faculty training and development workshop, and preparing self-assessment report of different departments.

University of Tubat has signed a number of MOUs with leading national and international universities and educational institutions for promotion of higher learning and research skills and to exchange a framework of cooperation and facilities with the signatories. University of Turbat has plans to sign MOUs with more national and international educational institutions in future.

University of Turbat has organized many seminars, workshops, training sessions, literary and academic events, international lecture series, certification courses in IT and entrepreneurship, business galas, sport festivals and study tours.

University of Turbat also has the exquisite honor of hosting the all-important inter-university consortium for promotion of social science successfully in April 2015 at future economic corridor city Gwadar, with the financial assistance of provincial government and the patronage of His Excellency Muhammad Khan Achakzai, governor Balochistan.

Completion of university permanent complex in record time, establishment of its sub campus at CPEC central city Gwadar, raising 4 departments to 9 along with 18 programs in three faculty including faculty of Arts and Social Sciences, faculty of Commerce, Law and Management Sciences, Faculty of Science and Engineering, starting M.Phil program, taking reliable security measures, cheating free examination system, launching IT academy in collaboration with HEC, entering into MOUs with national and international universities and educational institutions to exchange experiences and knowledge, establishing smart computer lab funded by worthy Chancellor Muhammad Khan Achakzai, affiliating of three degree colleges of Makran division with university of Turbat, co-hosting national seminar on CPEC at Gwadar, conducting meetings of statutory body well in time, holding inter university declamation contest to promote critical thinking with positive approach, IT and literary related seminar, organizing indigenous On-Campus Training, international lecture series via video conference, annual Business Gala, various scholarships for students, national book fair and various extra-curricular activities in regular interval are among the considerable achievements of university.

Many ideas and projects are in pipeline as the part of short and long term strategic plan of the University. Establishment of 4 new science and market oriented subjects, to set up another sub-campus in Panjgor, establishing school of legal education, Business administration, sending more scholars abroad for higher studies, training and refreshment courses, starting Ph.D, M.Phil, diploma and certificate programs in different disciplines, starting Chinese, English and Balochi language program, affiliation of more degree colleges and educational institutions with university, hosting national and international conferences, launching housing scheme for its employees, setting up constituent Model High School and generating revenue by its own resources are among the main mission of future roadmap of the Turbat University.

Message from

The establishment of the university is in pursuance of the government's policy to make higher education accessible to all strata of society so that the educational output in the shape of trained human resource contributes to the overall development of the province of Balochistan. I am sure the level of commitment on part of all concerned will soon earn significant place for University of Turbat in the list of leading institutions of higher learning in the country

I would like to convey me felicitations to Vice Chancellor, his energetic faculty, staff and students for the growth of UoT in quick time. Imparting quality and standard education with completion of academic sessions in timely manner, successfully holding of first convocation of the university shifting of academic activities in the newly constructed campus, is the result of tireless efforts that deserves all appreciations; indeed. University of Turbat is a gateway of opportunities of acquiring top of the line education in different contemporary disciplines at large.

Given the strategic location of the University at heart of China-Pakistan Economic Corridor (CPEC) and its viability as a key driver of socio-economic development, as Chancellor of the University, I am confident that effort to excel in the field of higher education and the inculcation of moral values in the students at the University Campus will continue in future with greater zeal. I take pride in the fact that the university is wholeheartedly achieving its major goal of remaining true to principles of merit, selfless services and, utmost objectivity that certainly promotes a viable society.

Government of Balochistan is putting in its best effort and channelizing available resources to transform the Universities in the province into state-of-the-art institutions of international repute that are equipped with latest teaching techniques, training equipment and technology. In future also, Balochistan government will continue to extend its full support in making the universities prestigious academic and research institutions of the country. I assure that the Higher Education Commission of Pakistan and government of Balochistan will continue to support the UOT wholeheartedly with regard to the additional infrastructure and staffing needs of this fast growing university. I hope to see this dynamic institution of higher education increasingly play its role in providing visibility and professional advice for the social and intellectual uplift of the people both at regional level and at provincial level at large. I further hope that they would continue their industrious efforts and work incessantly for completing one milestone after another and bringing the varsity at par with the top institutions of higher learning in the country.

H.E Muhammad Khan Achakzai

The Chancellor/ Governor Balochistan

It is matter of immense pleasure for me to say that we are doing our utmost to build a distinct center for higher education in the province by zealously upholding our guiding principles as expressed in the motto of our University. I would like to extend my heartfelt facilitations to all the, faculty, management and staff and students of the University of Turbat for their day and night determined efforts for uplift of the institution.

The task of introducing higher education to this remote part of the county and overcoming all sort of challenges has fortified our will to aim higher and push horizons for the people of the area and multiply possibilities of success in different walks of life.

The trajectory of the University is adorned with some commendable achievements on the part of the University. Some of them include the recent shifting to its permanent main campus at Ginnah M-8 University Road Turbat, and successfully holding its first Convocation in March, 2017 whereby scores of students were conferred upon degrees by the honorable Governor Balochistan Muhammad Khan Achakzai.

The establishment of the Sub Campus of University of Turbat at Gwader during the year 2017 speaks volumes of the supreme hard work and dedication of my committed and enthusiastic team endowed with mission to see University of Turbat as one of the finest seats of learning in country. The supreme will power, support and faith of the parents in the budding institution and students saw us through those challenges and today we can hold our heads high with confidence seeing the jubilant faces of graduates from the first two batches of the University.

The achievements earn by university within short span of time speak volumes of the tireless efforts of the University Faculty, administration and staff for making this day a reality. It would not have been possible without their determination.

I am confident the students will uphold the highest standards of academic excellence and prove to be invaluable success stories that will bring acclaim to their alma mater, University of Turbat. Their association with UoT is a ceaseless bond that we cherish every day. I wish them all the best for their future endeavors.

1st CONVOCATION

A Celebration of Success 2017

1st Convocation

The 1st Convocation of the University of Turbat was held here on Wednesday, March 8, 2017 at newly built University Campus. Governor Balochistan/Chancellor University of Turbat Muhammad Khan Achakzai presided over the 1st convocation in which 220 graduates were conferred degrees and 12 position-winning graduates were also awarded gold medals. He also awarded certificates of appreciation to the research scholars of the university who had completed their MS/Master degree from local universities or abroad.

Addressing the convocation, the Governor Balochistan Muhammad Khan Achakzai congratulated the graduating students and their parents on getting degrees and medals and said that it is now their turn to pay back to the society and contribute to the nation building and development. He said “holding first convocation for any university is a historical day and I’m proud to chair the first convocation of Turbat University”.

He urged the students to join their respective professions to serve the society and humanity. He lauded the progress achieved by the Turbat University in short time and positioned itself among fast growing universities in Pakistan. He assured that government of Balochistan was committed to ensuring quality education and raising education standard in Balochistan as a top priority. The Chancellor said that the coastal Mekran is the economic hub of Pakistan and we all should work jointly for achieving our national priorities, adding that the female gradates of Mekran are second to none in terms of talent in all spheres of life including education, if they keep on learning they would touch the sky.

The guest of honor of the convocation ex-chief minister Balochistan Dr Abdul Malik Baloch has said “education is essential for development and prosperity of any nation”. He was hopeful that passed out graduates of Turbat University would be provided opportunity to play their role in the on-going development activities of CPEC in the region. He urged the youth not to stop here and go for M.Phil and Ph.D and to focus on education for the development of the province in particular and for country in general to bring a positive change in the society. He announced a grant of Rs 30m to buy laptop for pass out graduates and for other missing facilities.

Presenting a wholehearted welcome address, Vice-Chancellor Prof Dr Abdul Razzaq Sabir spoke about the academics, research, development, extension and future plans of the university. He said that with a history of just three and half years of excellence, Turbat University is now all set to positioning itself among the lane of fast developing universities of the country.

Vice Chancellor said that the institution was swiftly achieving the milestones and developing talent by using knowledge, resources and skills for growth of human resource in this far flung area of the country. Vice Chancellor was thankful to the Chairman Higher Education Commission Dr Mukhtar Ahmed for cooperation and support rendered by him in the rapid development of University of Turbat in short time.

Earlier, the governor Balochistan inaugurated the laboratory of Chemistry department and video conference hall. He also handed over the keys of a van and a bus to the vice chancellor of the university.

The governor Balochistan and ex chief minister Balochistan were gifted Balochi Traditional Shawl, shield and painting by the Vice Chancellor.

The convocation was also attended by the member election commission of Pakistan Shakeel Ahmed Baloch, Syed Ihsan Shah, Zahoor Buledi, present and ex-members of the senate, federal and provincial Assembly, vice chancellors of different universities, officials of the civil and armed forces, local notables, officials from local administration, educationist and representatives of the civil society and media.

Institute of Balochi Language & Culture (IBLC)

Introduction

The Institute of Balochi Language and Culture (IBLC) in the University of Turbat was first established as the Department of Balochi Language and Literature in 2013 to cater the needs of the students of Balochi language and literature. Soon after its establishment the department became one of the most popular departments of the University with enrolling more students in its first batch and proved itself to be the center of excellence for the study, teaching and research about Balochi language, history, literature and culture.

Seeing its popularity and feeling the need of time the university administration, on the wishes of the then Chief Minister Balochistan Dr. Abdul Malik Baloch, upgraded the department of Balochi language and literature in the University of Turbat, in 2016, to an Institute (Institute of Balochi Language and Culture) and its horizons were widened and broadened to research and work on Baloch history, language, literature, culture, oral traditions and a lot more which particularly pertain to Baloch and its culture.

Apart from offering BS (four years/eight semester) MA (two years/four semesters), and MPhil programs, the Institute is also planning to offer PhD programs shortly. Moreover, the institute is also running a chair attributed to legendary Baloch poet Mulla Fazul, named as 'Mulla Fazul Chair'. The institute is also publishing a research journal 'Meeri' in which the research papers from well-known authors and researchers regarding Balochi language, literature and culture are published in it.

The institute, apart from conducting and supervising scholarly and academic works on formation, classification and standardization of Balochi terminologies related to the different aspects of life, is also working on Indexation of Balochi research journals. In the institute, the Institute has also setup a reference library, and the establishment of a Museum, a Center for Translation studies and a Culture Center, Oriental and Occidental Language Center, Collection of general Archives, and a Baloch Cultural Exhibition Center are in the pipeline. The Institute is also working on Balochi Music and on preservation of Balochi Oral traditions.

The aim of the institute is to streamline Balochi language, literature, history, and culture with the national and international languages and cultures. Besides, the Institute also aims to sign MoUs with international organizations working on the national and international languages, literatures, and cultures.

Introduction

Established in November 2013, the Department of Political Science, University of Turbat is moving ahead with utmost capacity to the satisfaction of graduates and faculty members. With the satisfactory results of the past two passed out batches and the near about passing out of the third batch, the department is emerging as an attractive venue for ambitious learners to benefit from the courses and programs offered at the department.

Currently we are offering BS in Political Science (4 years) from January 2018 to meet the demands of time and HEC policy regarding the new scheme of Higher Education in Pakistan.

More importantly, the Department of Political Science University of Turbat is heading forward to equip its graduates with the tool of critical thinking, reasoning and rationality by involving them in research-based and scholarly studies. Furthermore, research, policy dynamics, strategic studies and citizenship responsibility are the areas which have been target of focus by the department. However, keeping in view the highly increasing needs of the age of globalization and interactive politics, the department is busy in inculcating insights about the current national and international issues to its graduates.

Department of *Economics*

Introduction

Economics is one of the adolescent subjects of social sciences, in light of importance of economics; the department of Economics has been established in University of Turbat since January 2013. In short span of time, it emerged as the dominating discipline in the university, currently, the department of Economics is running its master program (2-years M.Sc) and going to initiate classes for 4-years B.S Economics program.

Efforts have been made and initiated to enable the students to translate the economic theories into practice as well as practical implementation of such theories to strengthen students' interest and their problem solving approach.

The courses have been designed to understand the crucial issues of the world ranging from household to global finance; micro to macro level policies of firms and industries; and other contemporary problems of economy.

Department of Law

Introduction

The Law Department University of Turbat (School of Legal Education) is only legal institution in Makran Division initiated by University of Turbat. The purpose to start the legal education is to fill vacuum of skilled lawyers in province. The Law Department University of Turbat has been established on the special instruction of the Judiciary and pressing demand of the Civil Society to fill the gap of Judiciary due to carnage of 8th August 2016 and Law department was inaugurated by Honorable Chief Justice Balochistan High Court Justice Muhammad Noor Miskanzai on 5th Oct 2017.

Difficulties faced by legal education sector in Pakistan have been increased by the fact that unlike other subjects in the field of humanities, law institutions in Pakistan have been unable to promote and establish legal academics and scholars whose primary role include legal research and teaching, with the result that majority of these law institutions/colleges depend upon practicing lawyers to fulfill their teaching needs, people who have neither the time nor are trained in the pedagogy and academic research. This is unfortunate since legal research provides much needed critical discourse and evaluation of legal rules, which most practicing lawyers do not have the time to conduct, but is important to ensure the development of law in the right direction.

The legal education is not just about training lawyers, but is used by people who will go on to become political leaders, human right activist, social reformers, legislators legal drafters, jurists, etc. Legal education also plays a vital role in any society. It is essential in promoting awareness about the rights and obligations of citizens and public institutions.

Moreover knowing the fact that producing of next competitive generation of lawyer, judges, jurists, legislators, human rights activists and social reformers is a one of the prime responsibility of the Law Schools, University of Turbat already inducted the most talented and Qualified Faculty members after conducting third party evaluation.

The main objective of the department of Law UoT is to nurture the spirit of research, honesty, advocacy, trustworthiness and commitment to the cause of justice. We are devoted to strive for the human dignity, social justice and civil rights through disseminating the knowledge of law. We are committed to produce skilled legal professionals who are not only theoretically sound but who also accept an obligation with strong human passion to serve the community.

After the Institute of Balochi Language and Culture now Turbat University would also offer M.Phil program in the department of Chemistry and would provide the facilities for acquiring higher studies and research in the field of Science and Engineering to the people of the area at their door steps.

Finance

Salient Features

The main sources of funding of UoT are Development Grants and Recurring Grants being received from the Federal Govt through HEC. HEC is also providing dedicated funds for specific purposes such as to meet security requirements, to provide in house training etc. Apart from the above, The honorable Governor Balochistan also allocates some funds to the University as Grant in aid for specific purposes.

The University's own revenues from Tuition Fee, exam fee and other heads are also contributing in its Revenue Pool to some extent. Recently UoT has started taking examinations of students of affiliated colleges from which significant revenues are being generated.

The UoT Project

The Project titled "Establishment of University of Turbat" was approved by ECNEC during May 2011 at a total cost of Rs. 1580.39 (M). Although the commencement year of the Project given in the PC-I was 2011-12; however the Project was actually started from the F/Y 2013-14 after induction of full-time VC and other Senior officers. Since July 2013, the work of the construction of new Campus is continuing without any break and by November 2017, almost 85% of the works have been completed. The academic and other activities have already been shifted to the new campus.

Apart from Civil works the Project cost also includes other components such as scholarships for higher studies, Purchase of equipments, Furnitures & Fixtures, books and Journals, Transport and Security system etc. Due to delay in starting of the Project, law and order problems and other reasons the cost of Project increased beyond the permissible limit of 15%; as such a Revised PC-I was prepared and approved by the Govt at a cost of Rs. 2820.62(M) during January 2016. The total releases received upto November 2017 were Rs. 1925 (M) while a total amount of over Rs. 1737 (M) have been spent from the Project funds by 31st October 2017.

Recurring Grant

Soon after being recognized by HEC, the University of Turbat started receiving annual Recurring Grant from HEC w.e.f Sept 2014. It received total grant of Rs. 45(M) during 2014-2015, Rs. 100(M) during 2015-2016 and Rs.138(M) during F/Y 2016-2017. For the current F/Y (2017-2018) it has been allocated Rs.129.555(M) including Rs.6(M) for Need Based Sholarships. The total releases against Recurring grant during last three years has been Rs. 1979 (M) up-to November 2017 while total expenditures for the same period were more than this.

Endowments Fund

The former Chief Minister of Balochistan Dr. Abdul Malik Baloch, had announced during the stone laying ceremony of the UoT Project on 6th February 2014, to provide funds for establishment of UoT's Endowment fund. Accordingly an amount of Rs. 50 (M) was received from GoB during last quarter of F/Y 2013-14 which was invested in three years term deposit in NBP @ 11.75 % p.a after obtaining comparative rates of interest through open and transparent bidding. After maturity the original amount plus 50% of the

profit were reinvested in National Bank of Pakistan (NBP) for one year. This fund were meant for investment in the long term deposit/securities in order to meet long term financial needs of the University and the profits/interest will be utilized for providing scholarships and other benefits to the students.

Grant in aid

The honorable Governor Balochistan/ Chancellor PSU 's of Ba-lochistan has very kindly granted a total amount of Rs. 69 (M) during the last three years i.e. 2013-2014, 2014-2015, 2015-2016 as Grant in aid which have been spent for the heads and purposes prescribed by the Government of Balochistan. The allocation for F/Y 2017-18 is still awaited.

Future Plans

The Management of University of Turbat is determined to make the University financially healthy and stable in the long run. To achieve this objective it aims at enhancing its revenue-earning capacity on the one hand and strengthening financial discipline and governance on the other hand. The University has already started the process of affiliating all the colleges and other institutions within its jurisdiction as well as to register Private Candidates. It is expected that this will bring in significant revenues during subsequent years. There are a number of other plans in pipeline aimed at making the organization financially self-sustaining.

University of Turbat Gwadar Campus

Introduction

Gwadar is located on the coastal line of Makran on the lips of Arabian Sea in the largest Province of the country Balochistan, around 750 Km from Karachi.

Port city of Gwadar is at the heart of mega project of China Pakistan Economic Corridor (CPEC) worth initially over \$46 billion investment.

The CPEC related projects are anticipated to have the potential to turn around the future of not only this area but also promises massive economic growth for the country and entire region.

The facility of higher education has always been one among the biggest missing facilities for the people of the area. There was an immediate need of a university for the people of Gwadar in this fast growing world. So University of Turbat took the initiative to establish its sub campus at Gwadar to fill the gap between people of Gwadar and higher learning.

Initially, the idea of establishment of a Sub Campus of Turbat University in Gwadar was driven by the Vice Chancellor University of Turbat Prof Dr Abdul Razzaq Sabir in early 2015. A team of expert led by the Vice Chancellor prepared and tabled the idea of establishment of Gwadar Campus at statutory bodies of Turbat University like Academic Council and Syndicate for approval. After the approval of recommendation of establishment of Gwadar Campus from statutory bodies the project has been presented in the apex statutory body of University the Senate during its first meeting, for final approval on March 30, 2016 chaired by Governor Balochistan/ Chancellor University of Turbat Muhammad Khan Achakzai.

In pursuance of principle approval by Honorable Governor Balochistan/ Chancellor University of Turbat Muhammad Khan Achakzai, the Higher Education Commission Pakistan issued a notification on July 4, 2016 to set up a Sub Campus of University of Turbat at CPEC central city Gwadar.

The Sub-Campus of University of Turbat was established at Gwadar under the Umbrella Project of “Establishment of Sub Campuses of Public Sector Universities at district level (Phase-1)” has been approved by (ECNEC) in its meeting held on January 25, 2017.

The Sub Campus in CPEC central city Gwadar will be transformed into a full-fledged university of Gwadar at par with international standard in near future.

Prime Minister Muhammad Nawaz Sharif inaugurated the project of University of Gwadar at Gwadar amid inaugurating a string of development projects on September 1, 2016.

Commencement of the Classes

To fulfill the desire and promise of the Prime Minister Islamic Republic of Pakistan Mian Muhammad Nawaz Sharif with the help and patronage of Federal Minister Prof. Ahsan Iqbal the admissions at BS/B.Com level have been advertised in the Oct, 2016 after conducting proper admission tests around 200 students have applied for admission in first semester and the classes in four subjects/programs were formally inaugurated by Vice Chancellor Prof. Dr. Abdul Razzaq Sabir on 16th Jan, 2017 and classes are successfully running in the Campus at Gwadar.

Activities

The students of Gwadar Campus attended a one-day workshop on building Entrepreneurship and Leadership skills in youths, organized by SMEDA in collaboration with British Council held at Gwadar on January 18, 2017.

Gwadar Campus also hosted a one-day national seminar on “Tertiary Education and Youth Development of Gwadar in Perspective of CPEC” held on February 18, 2017. The prominent scholars, researchers and Professor from Quetta, Karachi and Gwadar participated in Seminar and shared views and interactive sessions with faculty and students.

On the special directives of Vice Chancellor Prof Dr Abdul Razzaq Sabir the Quality Enhancement Cell (QEC) University Turbat organized a three-day awareness seminar on ‘Quality in Education’ in collaboration with Gwadar Campus from 23 to 25 February 2017.

The Students of Gwadar Campus along with the students of Main Campus Turbat went on an exposure visit to Lahore from 12-17 March 2017.

Facilities and Infrastructure.

Presently Gwadar Campus is running in five different buildings. A complete, widespread, and separate block having around 24 different size rooms/halls, guard room, washrooms, kitchen have been allocated for the Gwadar Campus by the local administration (Commissioner Mekran Division and Deputy Commissioner Gwadar) with consent of the concerned department (Department of Higher Education and Colleges Balochistan) in the newly constructed building of the Govt. Boys Degree College Gwadar situated in the mid of the Gwadar City approachable for the students from different areas of the Gwadar district.

University has also hired a 22 room triple story building in the entrance of Gwadar City for multi-purpose use including Guest House, residential rooms for faculty and boys hostel and guest room.

Under the banner of Turbat University, Gwadar Campus is working on a plan to introduce a culture of innovation and entrepreneurship to foster integrative thinking among students so that they could contribute in the projects under CPEC for the economic prosperity of Pakistan in general and Balochistan in particular.

Soon after its establishment the administration of Turbat University flourished its Gwadar Campus with adequate facilities including Computer Lab with latest Computer systems, Internet and WiFi Services, Central library with thousands of Books, Transport Facility, Boys' Hostel, Girls' Faculty Hostel, Guest House, Seminar Hall, 30kw power house and a Cafeteria.
