Vision

Meet the ever changing needs of the society by building on its traditions of innovation, and excellence and providing an educational resource to the people of the region.

Introduction

The University of Turbat (UoT) is located at Turbat (District Kech) in Makran Division. The people of the region had always longed for a university nearby. Their dream finally materialized in the shape of an independent University when the academic activities started in the institution in May 2013 as a full-fledged university.

Prior to getting the status of a full-fledged University in 2012, it has remained a HEC Recognized Sub Campus of the University of Balochistan (UoB) from 2009 to 2012.

The University of Turbat Act 2012 was passed by the Provincial Assembly of Balochistan on 20th June, 2012, assented to by the Honorable Governor Balochistan on 26th in same year, and was notified in the Provincial Gazette on 28th June 2012.

After completion of required formalities including submission of feasibility report, and by HEC experts evaluation, the University of Turbat was recognized by the Higher Education Commission of Pakistan as 168th Public Sector University in the country and Second Public Sector General University in Balochistan on 12th March 2014.

The main objective of establishing this university is the provision of better opportunities of quality higher education to the students of entire province, mainly the remote and backward areas of Makran Division including districts of Kech, Panjgur, Gwadar, and neighboring districts of Awaran, Kharan and Washuk (which cover around 1/5th of the

total area of the province) to bring them at par with the other parts of the province/country in all walks of life.

The university has been shifted from rented building to its permanent building situated adjacent M-8 at Ginna area in October 2017. The new building comprises all facilities for learning including academic blocks, class rooms, lecture theaters, video conference hall, Computer labs, multipurpose hall, Chemistry labs, Cafeteria, Student facilitation Centre, admin blocks, Bachelors Hostels, Central Library, boy's hostel, girl's hostel, residential colony, sport complex, mosque, Model School, Banks and Medical Center as well as water and drainage facilities and internal roads and Footpaths. Despite the heavy odds and daunting challenges, University of Turbat is on way to bringing an educational revolution in the domain of higher learning in Makran Division.

The provincial and the Federal Governments (through HEC) have taken all steps to expedite the process of Uplifting of Turbat University.

Professor Dr. Abdul Razzaq Sabir and Professor Dr. Abdul Saboor Baloch took over the charge as first Vice Chancellor and Pro Vice Chancellor of the University respectively. Within a short span of time the Vice chancellor with the support of qualified faculty members and smart working administrative officers and staff succeeded to enlist UoT among the fast growing institution of higher education in the country.

Before transforming into an independent university three programs (BBA 4 years, BSCS 4 years, B.Com 2years) were being taught in sub campus of UoB but now there are 27 programs in 13 departments including M.Phil./MS in Balochi, Chemistry and Business Administration.

With around 3000 students and over 200 employees, the University of Turbat has been providing quality education and enhancing entrepreneurial skills of the students.

The university is providing financial assistance to its students through Prime Minister's Fee Reimbursement scheme, Balochistan Endowment Fund, HEC Need Based and merit based Scholarships, Kareem Dashti scholarship, Meer Ilahi Bakhsh Scholarship and many other scholarships sponsored by philanthropists.

The passed out graduates and alumni of University are expected to play a vigorous role in the activities of the projects under China Pakistan Economic Corridor (CPEC) to bring about prosperity in the region. The University of Turbat believes to promote a culture of innovation and entrepreneurship, to foster an integrative thinking among students. In this short span of time, University of Turbat earned a number of accolades which have been acknowledged by the people from all walks of life in the country.

Around 60 faculty members and scholars have been sent to different universities of Pakistan and abroad for M.Phil., MS, Ph.D. and MS leading to Ph.D under the Human Resource Development Program (HRD), Aghaz e Haqooq Balochistan Scholarship and other HEC scholarships scheme. Some of them, after completion of their studies have re-joined University and rest of them are expected to rejoin the university in near future. By the year 2023 the number of Ph.D. faculty is expected to raise up to fifty.

With 80 highly committed faculty members including 12 Ph.D. and 35 M.Phil./MS qualified, University of Turbat has grown to become a research led university, known for the excellence in teaching, innovation and academic services being rendered to the people of Makran, Balochistan and other provinces as well.

University of Turbat organized its 1st convocation in 8th March 2017 in which 220 graduates were conferred degrees and 12 position-winning graduates were also awarded gold medals. The 2nd convocation was held in 24th April 2019 in which almost same number of students were conferred degrees.

The University succeeded to hold the meetings of its statutory and other bodies like Syndicate Ten times, Academic Council Ten times, Finance and Planning Committee Ten times, Academic Council eight time, Advanced Studies and Research Board (ASRB) Eight times, selection board seven times, as well as the most important meeting of the apex body namely Senate Four times.

Research and publications have been the defining distinction of the University of Turbat ever since its establishment. Earnest efforts were consistently made to promote a vibrant research

culture and provide a favorable environment to both its faculty members and students for exploration and innovative market oriented higher learning. University of Turbat launched its very own annual Research Journal *GIDROSHIA* for this specific purpose while IBLC also has initiated its research journal (*MEERI*) duly recognized by the HEC.

The Office of Research, Innovation, and Commercialization (ORIC) is striving to establish strong links with industry in order to facilitate the students for seeking internships and getting research projects for ensuring their future career.

A bi-annual newsletter “KECH NEWS” from main campus and “ZERWAAN NEWS” from Gwadar campus are another symbol of distinction for the University. Therefore, University of Turbat is enlisted as one of those successful general Universities which have achieved the enviable feat of publishing their Annual Research Journal, Bi-annual Newsletter, Annual Report, Prospectus and Convocation Booklet in such a short span of time. This is truly a big success story for a University in such a far flung and remote area. University of Turbat, being a student centric university, is extending all possible facilities to its students for quality higher learning, research, and extracurricular activities.

A video conference Hall has been established by HEC to connect the university with national and international institutions of higher learning. Directorate of Information Technology, the backbone of the university, is one of the paramount achievements, connected to Pakistan Education and Research Network (PERN 2) installed by the Higher Education Commission of Pakistan, providing Wifi and other IT related services to students, faculty members and administrative staff.

Besides dedicated libraries in each department, university also has a central campus library and a public library with more than 40,000 books on different topics, national and international research journal, publications, periodicals, and newspapers.

A career counseling and students affairs cell have been established to help the students to resolve job related issues such as finding work and setting career goals.

The Quality Enhancement Cell (QEC) with the support of Quality Assurance Agency of Higher Education Commission of Pakistan is working effectively according to the needs of modern times in a changing world with the responsibility to ensure quality education with a futuristic mindset, encourage different academic activities, faculty training and development workshops, and preparing self-assessment reports for different departments and faculty members. The University has signed a number of MOUs with leading national and international universities and educational institutions for promotion of higher learning and research skills, with a view to exchange knowledge and facilities with the signatories.

University of Turbat has organized many seminars, workshops, training sessions, literary and academic events, international lecture series, certification courses in IT and entrepreneurial-ship,

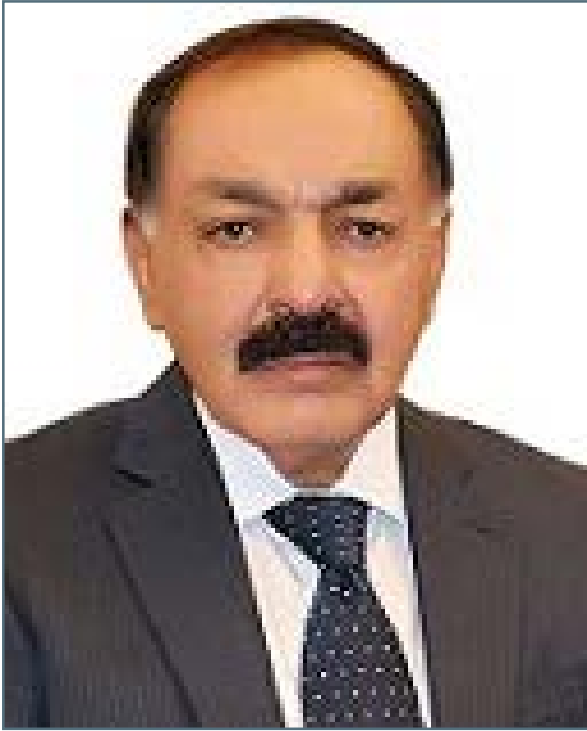

business galas, sport festivals and study tours. The completion of university's permanent campus in record time, establishment of its sub campus at CPEC central city Gwadar, raising 3 departments to 13 along with 37 programs in four faculty starting M.Phil. Program, taking reliable security measures,

promoting cheating free examination system , launching IT academy in collaboration with HEC, entering into MOUs with national and international universities, establishing smart computer labs, affiliating all degree colleges of Makran division with University of Turbat, co-hosting national seminar on CPEC at Gwadar , conducting meetings of statutory bodies well in time, holding inter university declamation contests, creating awareness against corruption, organizing IT and literary seminars, organizing Training workshops, international lecture series, annual Business Gala, various scholarships for students, national book fair and various extra-curricular activities in regular interval are among the considerable achievements of the university. Many ideas and projects are in pipeline as the part of short and long term strategic plan of the University. Establishment of more market oriented subjects, to set up another sub-campus in Panjgur, sending more scholars abroad for higher studies, training and refreshment courses, starting Ph.D., M.Phil. Diploma and certificate programs in different disciplines, starting Chinese, English and Balochi language certificate courses, affiliation of more degree colleges and educational institutions to university, hosting national and international conferences, launching housing scheme for its employees, setting up constituent Model High School and generating revenue by its own resources are among the main milestones of future roadmap of the Turbat University.

Message from Chancellor

I am glad to see that University of Turbat has been turning into a change agent in the field of higher education in this far flung area of the country, where the youths not only from Makran region, but also across Balochistan and Pakistan have the equal opportunity for higher learning.

My sincere support will always remain with the University of Turbat for leaving no stone unturned in disseminating of higher education in order to produce human resource for changing world, ongoing flagship projects of China Pakistan Economic Corridor (CPEC) and other increasing economic activities. It is a matter of satisfaction for me to witness the achievements earned by the University of Turbat in short time, and I hope that the management of UOT will accelerate the journey of success and its efforts in eradicating education backwardness from this part of the country. Given the strategic location of the University at heart

of China-Pakistan Economic Corridor (CPEC) and its viability as a key driver of socio-economic development, as Chancellor of the University, I am confident that effort to excel in the field of higher education and the inculcation of moral values in the students at the University Campus will continue in future with greater zeal. I am happy to know that since its beginning in 2013, the University has achieved many milestones which include the extension of teaching department from three to eleven, starting M.Phil program, providing quality legal education by establishing faculty of Law, completion of its permanent building in record time, establishment of Institute of Balochi Language and Culture (IBLC), setting up another campus at Gwadar which has been converted into a full-fledged university, planning for setting up another campus at Panjgur, conducting its 2nd Convocation, sending dozens of scholars/faculty members abroad and country's best universities for Ph.D. and higher study, starting two research Journals, connecting university with PERN, maintaining merit and good governance, hosting international and national conferences and seminars and last but not the least signing many MoUs with national and international universities and institutions of higher learning. Due to these considerable achievements the University of Turbat had earned a distinguished place in the lane of good universities of the country in short time of six years. These achievements speak volumes of the tireless efforts of the University's faculty members and administrative staff for making this day a reality. I take this opportunity to extend my heartiest felicitations to the management, faculty and students of Turbat University on these achievements. As the chancellor of the university I assure my all possible support and patronage for the further growth of the university. Government of Balochistan is committed to put its best effort and channelizing available resources to transform all Universities including UoT in the province into a state-of-the-art institutions of international repute that are equipped with latest teaching techniques, training facilities and technology. I wish that the management and faculty of UoT would continue their efforts incessantly for completing one milestone after another and bringing the university at par with the top institutions of higher learning in the country.

H.E Justice(R) Amanullah Khan Yasinzai

The Chancellor, University of Turbat / Governor Balochistan

Message from Vice Chancellor

Today I am proud to say that the employees of University of Turbat with the support of Higher Education Commission (HEC), Federal and Provincial Government and Governor Balochistan have been engaged in giving flawless contributions and services in shaping the careers of students for attaining the best result for themselves, institution, province and country. And I am sure they will not give it up at any stage of life. The University of Turbat started its journey of discrimination of higher education in this region from 2013 and since then number of milestone achieved by the institution which are now being acknowledged by people from all walks of life. It is matter of immense pleasure that our institution is moving forward successfully on its way to achieve its goal gradually through teamwork efforts of employees consequently many achievements earned by our instuition in the year 2019 which are

enlisted in this Annual Report. Besides facing numerous challenges, I am pleased to see that our faculty members and other employees have been involved in tailoring student's personality and behaviors for making them useful for whole humanity. We are doing our utmost to bring about enlightenment in the life and leave a great impact on development and growth of our society and country. Apart from being the source of knowledge and wisdom our institution has also been engaged to promote the concept of entrepreneurship and research activities and we earned a distinguished place in the lane of famous institutions of higher learning in the country.

I am confident the graduates of the university will endorse the highest standards of academic, excellence and sit in the driving seat of the activities of economic development underway in the region. Today I feel so blessed that our University has such employees and students who prefer the interest of institution over their personal gain and we never compromise over the dignity of our institution. The collective interest of the university always remained supreme. The harmony and the mutual respect among all stakeholder remained utmost prerequisite in university for the only purpose of further growth of higher education in this region. Our university since its start is striving to curb the education backwardness and eliminate all kinds of unawareness and darkness from this region.

Institute of Balochi Language & Culture (IBLC)

Introduction

The Institute of Balochi Language and Culture (IBLC) in the University of Turbat was first established as the Department of Balochi Language and Literature in 2013 to cater the needs of the students of Balochi language and literature. Soon after its establishment the department became one of the most popular departments of the University with enrolling more students in its first batch and proved itself to be the center of excellence for the study, teaching and research about Balochi language, history, literature and culture.

Seeing its popularity and feeling the need of time the university administration, on the wishes of the Ex-Chief Minister Balochistan Dr. Abdul Malik Baloch, upgraded the department of Balochi language and literature in the University of Turbat in 2016, to an Institute (Institute of Balochi Language and Culture) and its horizons were widened and broadened to research and work on Baloch history, language, literature, culture, oral traditions and a lot more which particularly pertain to Baloch and its culture.

Apart from offering BS (4 years/8 semester) MA (2 years/4 semesters), and MPhil programs, the Institute is also planning to offer PhD programs shortly. Moreover, the institute is also running a chair attributed to legendary Baloch poet Mulla Fazul, named as 'Mulla Fazul Chair'. The institute is also publishing a research journal 'Meeri' in which the research papers from well-known authors and researchers regarding Balochi language, literature and culture are published in it. Meeri is also a recognized research journal from HEC.

The institute, apart from conducting and supervising scholarly and academic works on formation, classification and standardization of Balochi terminologies related to the different aspects of life, is also working on Indexation of Balochi research journals. The Institute has also setup a reference library, established a Museum, a Center for Translation studies & Culture, Oriental and Occidental Language Center, Collection of general Archives, and a Baloch Cultural Exhibition Center are in the pipeline. The Institute is also working on Balochi Music and on preservation of Balochi Oral traditions. The aim of the institute is to streamline Balochi language, literature, history, and culture with the national and international languages and cultures. Besides, the Institute also aims to sign MoUs with international organizations working on the national and international languages, literatures, and cultures.

Department of Political Science

Introduction

Established in November 2013, the Department of Political Science, University of Turbat is moving ahead with utmost capacity to the satisfaction of graduates and faculty members. With the satisfactory results of the past two passed out batches and near about passing out of the third batch, the department is emerging as an attractive venue for ambitious learners to benefit from the courses and programs offered at the department.

Currently the department is offering BS in Political Science (4 years) from January 2018 to meet the demands of time and HEC policy regarding the new scheme of Higher Education in Pakistan. More importantly, the Department of Political Science University of Turbat is heading forward to equip its graduates with the tool of critical thinking, reasoning and rationality by involving them in research-based and scholarly studies. Furthermore, research, policy dynamics, strategic studies and citizenship responsibility are the areas which have been target of focus by the department. However, keeping in view the highly increasing needs of the age of globalization and interactive politics, the department is busy in inculcating insights about the current national and international issues to its graduates.

Faculty of Legal Education

Prof. Dr. Gul Hassan
Dean of Faculty of Legal Education

Department of *Law*

Introduction

The Faculty of Legal Education University of Turbat is only legal institution in Makran Division initiated by University of Turbat. The purpose to start the legal education is to fill vacuum of skilled lawyers in province. The Law Department University of Turbat has been established on the special instruction of the Judiciary and pressing demand of the Civil Society to fill the gap of Judiciary due to carnage of 8th August 2016 and Law department was inaugurated by Honorable Chief Justice Balochistan High Court Justice Muhammad Noor Miskanzai on 5th Oct 2017.

Difficulties faced by legal education sector in Pakistan have been increased by the fact that unlike other subjects in the field of humanities, law institutions in Pakistan have been unable to promote and establish legal academics and scholars whose primary role include legal research and teaching, with the result that majority of these law institutions/colleges depend upon practicing lawyers to fulfill their teaching needs, people who have neither the time nor are trained in the pedagogy and academic research. This is unfortunate since legal research provides much needed critical discourse and evaluation of legal rules, which most practicing lawyers do not have the time to conduct, but is important to ensure the development of law in the right direction.

The legal education is not just about training lawyers, but is used by people who will go on to become political leaders, human right activist, social reformers, legislators legal drafters, jurists, etc. Legal education also plays a vital role in any society. It is essential in promoting awareness about the rights and obligations of citizens and public institutions. Five year program is introduced in the end of 2018.

The main objective of the department of Law UoT is to nurture the spirit of research, honesty, advocacy, trustworthiness and commitment to the cause of justice. We are devoted to strive for the human dignity, social justice and civil rights through disseminating the knowledge of law. We are committed to produce skilled legal professionals who are not only theoretically sound but who also accept an obligation with strong human passion to serve the community.

Department of Chemistry

Introduction

The Department of Chemistry was established in 2015. Chemistry plays an integral role in today's scientific endeavours. As science has become increasingly interdisciplinary, fundamental scientific problems still focus on the chemical nature of matter. Department of Chemistry, University of Turbat provides an environment where the students at undergraduate and post graduate levels of studies can explore, discover, and learn about the chemical nature of the universe. The department was initially started with three teachers, but with the passage of time it grows in all areas of chemistry and providing the students an ideal environment and opportunity to learn with highly qualified faculty members trained in diverse areas of specialization in Chemistry. The Department of Chemistry at UOT currently offers BS (4-year), MSc (2-year) and M.Phil (2-year) programs. Department of chemistry also offer a wide range of courses in analytical, inorganic, organic, physical, biochemistry and other interdisciplinary areas. The Department is fully equipped with all basic research instruments, chemicals and books. We hope that it would be an excellent center of learning and research in the near future and would contribute to the development of the area and in turn the country. We also provide a platform, where students of undergraduate and postgraduate levels can understand and expand their knowledge about the chemical and biological nature of the universe.

Department of *Computer Science*

Introduction

The revolution in information technology has profoundly influenced our way of life, our culture and our economy. Computer science education plays a special role in preparing future technology leaders and innovators. The Department of Computer Science trains future educators, researchers and professionals through an intensely personal engagement in a set of research activities that span the development of fundamental knowledge about computational processes, the design of new computing systems and methods, and the creation of novel applications that benefit society at large.

The Department of Computer is one of the first department of the University. Founded on 19th November 2009, the department continues its commitment to providing students with a state-of-the-art computer science curriculum. Today, the Computer Science Department forms the centerpiece of the University.

Department of *Natural and Basic Sciences*

Introduction

The department of natural and basic sciences will provide a strong support to establish interdisciplinary advanced research among the existing departments or future opening departments in the field of life sciences at the University of Turbat. The overall aim of this department is to foster interaction of existing departments of universities by developing interdisciplinary research in natural and basic sciences. It will help to develop a world-class center in basic, chemical and biological sciences in university doing both advanced research and education.

The department of natural and basic sciences will enhance the existing capacity of research and education in faculty of science through creation of interdisciplinary natural sciences research and education along with re-grouping research activities as per the current requirements and priorities.

7th meeting of ASRB held in UoT

The seventh meeting of Advanced Studies and Research Board (ASRB) held on 28th January 2019 at University of Turbat. UoT's Vice Chancellor Prof Dr. Abdul Razzaq Sabir chaired the meeting. The meeting was attended by UoT's Registrar Ghulam Farooq, Social Science Dean Prof Dr. Abdul Saboor, Dean Faculty of Law Prof Dr. Gul Hassan, Dean Research Dr. Riaz Ahmed, Controller Examinations Tanvir Ahmed, In-charge Education Department Mahnaz Aslam,

Dr. Naeemullah and Dr. Ghafoor Shad. The meeting discussed and resolved the matter related to thesis and viva voice reports of the the M.Phil Scholars of IBLC. The meeting also resolved the requests for time extension submitted by the research scholars.

9th meeting of Academic Council held in Turbat University

University of Turbat's Vice Chancellor Prof Dr. Abdul Razzaq Sabir has said that his institution was committed to promote quality education among the youths of this region enabling them to compete in all spheres of life at national and international level and his institution had achieved considerable triumphs in short time. He said this while presiding over the 9th meeting of UoT's Academic Council

held in committee room of the university on February 7, 2019. The meeting was also attended by UoT's Registrar Ghulam Farooq, Humanities and Social Sciences Dean prof Dr. Abdul Saboor Baloch, Dean Research Dr. Riaz Ahmed, Controller Examinations Tanvir Ahmed, faculty member Dr. Naeem-Ullah, Chairpersons of different teaching departments, representatives of affiliated colleges and other officials. VC said that UoT campus at Gwadar has been transformed into a full-fledged university, now they have planned to setup university's second campus at Panjgur very soon, for which the proposal has been sent to the provincial government for approval. Besides approving the courses of different programs of study, the council also considered and recommended the proposal for affiliation of the entire degree colleges in the region with UOT for B.S programs. The body also recommended to award M.Phil. Degree to around 13 scholars from IBLC. The meeting expressed their satisfaction that due to considerable achievements the UOT had earned a distinguished place in the lane of good universities of the country in short time which speak volumes of the tireless efforts made by the faculty members and administrative staff of UoT.

9th meeting of Finance and Planning Committee of UoT held

The 9th meeting of Finance and Planning Committee of the University of Turbat (UoT) chaired by the VC Prof. Dr. Abdul Razzaq Sabir on 28th February 2019 approved a proposal to set up a Sub Campus in Panjgur. The VC Dr. Sabir lauded the institution for its commitment to financial excellence and good governance. He said that his institution would never compromise over transparency in utilizing public funds for promotion of higher education in the region.

Besides approving different academic and development projects the committee also accorded approval to the university's revised budget estimates for the current financial year 2018-2019 and finalized budget estimates for the 2019-2020. Earlier the UoT Director Finance Rehmatullah briefed the meeting regarding agenda items of the meeting. The meeting was also attended by the UoT Registrar Ghulam Farooq Baloch, Director QEC Prof Dr. Gul Hassan, LUAWMS Professor Dr. Manzoor Ahmed, Dean Research Dr. Riaz Ahmed, Assistant Professor Abdul Qayyum, and Engineer Kamal Mohsin.

8th Syndicate of University of Turbat takes important decisions

In order to enhance academic profile of the institution the Syndicate of University of Turbat (UoT) took several significant decisions regarding affiliation of BS/Associate Degree programs of the colleges of this region to UoT, establishing a sub campus at Panjgur, university's annual report 2018 and confirmation of the minutes of the meetings held previously like Academic Council, Finance and Planning Committee, Selection Board and Selection Committee. The syndicate also approved to start classes in Panjgur campus soon after releasing of funds from provincial government.

The 8th meeting of the Syndicate held on 8th March 2019 at UoT committee room, was chaired by VC Prof Dr. Abdul Razzaq Sabir. VC informed the syndicate that the sub campus of the university at Gwadar had been transformed into a full-fledged university. The National Education Research and Education Network, Pakistan (PERN 2)

University of Turbat has achieved one its milestones being connected to PERN 2. Pakistan Education & Research Network is the only research and education network of Pakistan which as launched in 2002. The purpose of this national research and education network is to provide communication infrastructure to the universities, institutions of higher learning and research organizations to meet their networking and internet requirements. The network has evolved significantly and is providing valuable services, like high-speed internet, audio/video conferencing, and access to digital library resources.

PERN Services

- Internet Services (Fastest Access to Information)
- Intranet: Virtual Private LAN Service (Secure, Reliable Global Ethernet VPN Full-Mesh Solution)
- National Digital Library
- Video/ VoIP (Video Conferencing)
- Local Content Hosting (Cloud Services)
- Unified Communication (The Private Cloud technology as implemented is primarily aimed at providing Unified Communication solution including email services, office communicator etc.)

Directorate of IT has connected departments and administrative offices through intranet connectivity on Fiber. User Login Authentication has also been implemented for each user in the campus. NAS Server and Mail Server are also activated for faculty member and administrative staff.

Directorate of Public Relations

In this fast growing competitive and communicative world higher education institutions are becoming increasingly proactive in their public relation activities to convey an image that is favorable to the society and beneficial to all stakeholders, be they prospective students, employees, alumni or funding agency, etc. The educational institutes throughout the country are committed to create and maintain a very positive image amongst the people.

This is equally important for every Institute/Organization including universities to know what their clients and stakeholders are thinking about them, what they like and dislike, and what concerns and satisfies them. Most of the Universities had a problem in making liaison with public, media and other stakeholders; therefore they preferred to establish the Directorate or the Unit of Public Relations in the University for having strong linkage with all stakeholders and media to improve the positive image of the University in society.

In recent years, most of the universities have established Public Relations unit in order to maintain better communication with students, alumni, communities, affiliated and constituent colleges/institutions, public and other stakeholders.

Acknowledging the increasing importance of the Public Relations unit in educational institutions, the UoT's management had established Directorate of Public Relations in the institution in June 2015. Mr. Ijaz Ahmed Baloch has been assigned the charge as Director of this section. In the year 2015-19 this directorate, with the support of employees and students had achieved considerable successes in creating harmony between institution and its stakeholders. It dealt not only with dissemination of information pertaining to the university's policies, academic activities and development programs through maintaining a close liaison with the media and other stakeholders, but also managed to publish Bi-annual Newsletter, Annual Report, Prospectus, and other publications. This office worked with a mission to maintain and strengthen the relationships between university and its stakeholders, and projection of university's curricular and co-curricular activities and responded client's feedback properly. This directorate has a clear objective to cooperate with teaching and non-teaching departments in improving the programmes and services of the university. This will help the institution to become better known, help the institution to gain an enhanced reputation, improve internal and external relations; teachers, students, other administrative staff, alumni and community.

University of Turbat Gwadar Campus

Introduction

Background

The idea of establishment of a Sub Campus of Turbat University (UoT) in Gwadar was initiated by the Vice Chancellor (VC) Prof Dr. Abdul Razzaq Sabir in 2015. A team of expert led by the VC, prepared and tabled the proposal of establishment of Gwadar Campus in Syndicate in its third meeting as item No.6 held on May 30, 2015 for approval. The expert team was comprised on Director IBLC and Dean Faculty of Arts and Social Science Dr. Abdul Saboor Baloch, Ex- PD of UoT Manzoor Ahmed Baloch, DF/Registrar Ghulam Farooq Baloch, Muhammad Hayat, Director Public Relation Ijaz Ahmed and chairpersons of various department. The Finance and Planning Committee also endorsed and approved the idea of establishment of Gwadar Campus in its fourth meeting as item No.5 held on June 29, 2015 held at Karachi.

After thorough discussion and approval of recommendation towards establishment of Gwadar Campus from different meetings and statutory bodies the proposal was presented in the UoT's apex statutory body (the Senate) during its first meeting chaired by Ex-Governor Balochistan/Chancellor PSUs Muhammad Khan Achakzai, held on March 30, 2016 at University Public Library Turbat.

In pursuance of principle approval by Ex- Governor Balochistan, the Higher Education Commission Pakistan issued a notification on July 4, 2016 to set up a Sub Campus of University of Turbat at CPEC central city Gwadar.

Finally in order to supplement commercial/economic activities under CPEC, the UoT had initiated educational and training activities by establishing its campus at Gwadar under the Umbrella Project of "Establishment of Sub Campuses of Public Sector Universities at district level (phase-1)" and academic activities were started from January 2017. The Federal Government has already decided to upgrade the campus into a full fledged University as a part of project under CPEC.

i. Current building and departments in Gwadar campus

The university campus started its academic activities from January 2017 in a part of Govt. Boys Degree College building for interim period with four BS programs in the fields of Management Sciences, Computer Science, Education and Commerce. Besides a portion of College building for academic activities, two other buildings for hostels were also taken on rent

ii. Enrollment and faculty

The first admissions in four BS Programs were announced on August 31, 2016 while applications for the position of Lecturer were invited on October 18, 2016. At present around 400 students are enrolled in the Campus. The number of regular faculty members is 15 while 17 teachers are providing services on part time basis.

iii. No Objection Certificate to Campus by HEC

The HEC accorded formal recognition of the campus in September 2018. Here it's worth mentioning that among all the university's Sub Campuses of Balochistan, only Gwadar campus has been recognized by HEC so far.

Progress towards establishment of University of Gwadar

Here it is pertinent to mention that Government of Pakistan had decided to establish a University at Gwadar under CPEC and accordingly a project titled “Establishment of University of Gwadar” was included in Federal PSDP 2016-2017, and 2017-18. Then Prime Minister of Pakistan during his visit to Gwadar, formally inaugurated the project of University of Gwadar on 1st September 2016 as a part of project under CPEC. At the same time Federal Government/HEC asked VC Turbat University:

1. To prepare Charter of University of Gwadar.
2. To prepare PC-1 for Gwadar University.
3. To ask local administration for allotment of state land for University of Gwadar.
4. To establish UoT’s campus at Gwadar (as future university of Gwadar).

Charter of University of Gwadar

Meanwhile the HEC requested University of Turbat in July 2016 to prepare the Charter of the University of Gwadar. Accordingly the draft charter was prepared by UoT and submitted to HEC in March 2017. After betting the Charter by HEC and concerned forums, it was finally passed by the CM Jam Kamal led Balochistan Assembly on 3rd November, 2018, and the same was assented by the Governor Balochistan/Chancellor Public Sector Universities (PSUs). The bill was presented by the provincial minister Mr. Zahoor Ahmed Buledi. Governor Balochistan Honorable Justice (R) Amanullah Khan Yasinzai during meetings with VC UoT assured to take every possible steps for development of Gwadar Campus and establishment of University of Gwadar. Earlier VC UoT Prof Dr. Abdul Razzaq Sabir along with Director Gwadar Campus Mr. Ijaz Ahmed, on 7th September 2018 has given a detailed briefing to the CM Balochistan regarding Gwadar University Project.

PC-1 /Feasibility Study of University of Gwadar (PC-II)

On the request of HEC, a PC-I was also prepared by University of Turbat at a cost of Rs. 5.727 (Billion) and submitted to HEC in the end of 2016. Meanwhile a meeting was held in HEC on 29th November 2016 in which it was decided that instead of PC-I, a PC-II should be prepared to conduct the academic feasibility of the University. Accordingly a PC-II was approved by the CDWP on April, 2017. Feasibility study completed and submitted to HEC in April 2018. The PC-1 will be prepared by HEC on the basis of the recommendations of feasibility study. According to feasibility study, the Gwadar University will be a residential university. The University is conceived to be a special purpose university which shall produce high quality human resource for CPEC.

Land for University of Gwadar

A piece of state land measuring 500 acres located in Mouza Shabi Tesil District Gwadar under khasra No.20, 21, had been allotted in favor of University of Gwadar in September, 2018. However the efforts are underway to acquire a piece of land for Gwadar University in education enclave earmarked in newly launched Gwadar master Plan.

University of Turbat Panjgur Campus

Introduction

The University of Turbat (UoT) in its endeavor to fulfill its charter obligation to disseminate knowledge and to ensure access to Higher Education to all students so that deserving students are not deprived access to quality education has decided to establish its campus at Panjgur, Balochistan.

As per the directives from the honorable Governor Balochistan Justice(R) Amanullah Khan Yasinzai and Chief Minister Balochistan Jam Kamal Khan Alyani, a preliminary survey of the area was conducted and the concept of establishing a Sub Campus in Panjgur was found to be feasible. A PC-1 has been prepared and submitted to the Government of Balochistan for approval. The University of Turbat also sent formal request to the Divisional and District

administration for allocation of temporary building & allotment of land for the campus.

The University of Turbat in the leadership of the Vice Chancellor Prof. Dr. Abdul Razzaq Sabir and with the dedicated faculty and admin staff continues its success stories. After establishing a Sub Campus at Gwadar in September 2016, the management of University of Turbat had decided to establish the 2nd Sub Campus of UoT at Panjgur in 2019, keeping in view the very fertile grounds for higher education in district Panjgur. The UoT management had also decided to start academic activities in Panjgur Campus from 15th March 2020 after fulfilling all legal formalities and pre-requisites. The advertisement to fill various academic and administrative positions was published in November 2019 in various daily newspapers.

As a matter of fact, on receipt of directives from the Governor's Secretariat, the University of Turbat had carried out a detailed visit of District Panjgur on 1st December, 2018 and discussed the matter with all stakeholders as well as the authorities of District Administration. It was the collective opinion of all stakeholders that a Sub Campus of University of Turbat should be established in Panjgur as early as possible. The team also visited an un-utilized portion of Government Boys Degree College Panjgur, which was very suitable for the Sub Campus in the initial stage.

Establishment of the University of Turbat Sub Campus at Panjgur has been approved by the entire statutory bodies of the University of Turbat. The Academic Council of UoT in its meeting held on 7th February 2019 and Finance and Planning Committee of the University of Turbat in its meeting held on 14th February, 2019, Syndicate of the UoT in its meeting held on 4th March 2019 recommended the proposal of establishment of Panjgur campus. Finally during UoT's 4th meeting of Senate held on 8th April, 2019, chaired by H.E Justice (R) Amanullah Khan Yasinzai Governor Balochistan/Chancellor UoT approved the proposal of establishment of a Sub Campus of University of Turbat at Panjgur.

Following objectives of Panjgur Campus are envisaged

- a) To provide an opportunity to the students of District Panjgur and adjoining districts / other areas for higher education.
- b) To introduce Programs which are aimed to meet the technological and academic requirements of the region.
- c) To provide more job opportunities to the youth of the area.
- d) To link higher education with industry and R & D institutions.

Academic Courses/Programs to be started in Panjgur Campus

a) BACHELOR PROGRAMS

1. B.S Botany (4 years 8 Semesters)
2. B.S English (4 years 8 Semesters)
3. B.S Computer Sciences (4 years 8 Semesters)
4. B.Ed (Honors 4 years) (4 years 8 Semesters)

b) New disciplines will be introduced as and when required by the University Administration. The M.Phil and Ph.D. Programs will be introduced in the campus after availability of qualified faculty.

The Campus, by meeting Technical and professional requirements of the region and other mega Projects being envisaged including CPEC, would generate a number of Social and economic activities, enhance sustainability of the area, promote national cohesiveness and integration and thus contribute in the overall socio-economic development of the area.
